[Tubstrip](#) Apr 19 2022 Jerry Douglas's *Tubstrip*, a risqué comedy set in a gay bathhouse, was a popular sensation when produced onstage in 1973-1974, in the era of gay liberation and the sexual revolution. The play, often dismissed by mainstream critics but hailed as "funny, sexy, and important" by the gay press, ran for 140 performances off-Broadway, then toured to eight cities over nine months, and returned to Broadway starring the legendary adult film star Casey Donovan in the lead role. Despite its unprecedented success and acclaim, the play has never been published. Along with the debut publication of the script of the play, this edition includes a foreword by Jordan Schildcrout titled "Tubstrip and The Erotic Theatre of Gay Liberation, " which examines the significance of the play as one of a wave of erotic gay plays (most of them forgotten or lost) that emerged between 1969 and 1974. This edition also features rarely seen publicity photos, posters, and advertisements from the original production of the play.

[Staten Island Noir](#) Jan 24 2020 "In a thrilling tilt-a-whirl of crime and drama . . . Smith has carefully chosen writers concerned with the true nature of the small suburban borough." —Electric Literature Staten Island may be New York City's forgotten borough, but it ranks high up on the list of places known for organized crime. If that wasn't enough to boost its noir reputation, there are its haunted mansion, hate crimes, and Cropsey urban legend. Dark deeds will always find a home on this side of the Verrazano bridge, and they give Staten Island a character all its own. *Staten Island Noir* includes editor Patricia Smith's Robert L. Fish Memorial Award-winning short story, "When They Are Done with Us," which was also selected for inclusion in *The Best American Mystery Stories 2013*. You'll find more tales by Bill Loehfelm, S.J. Rozan, Ted Anthony, Todd Craig, Ashley Dawson, Bruce DeSilva, Louisa Ermelino, Binnie Kirshenbaum, Michael Largo, Mike Penncavage, Linda Nieves-Powell, Shay

Youngblood, and Eddie Joyce. "It's not enough for noir to be dark. It's got to be bad-ass. Its words, its decaying and horrible beauty have got to hit you like a spiked heel dragged from your guts to your gullet. It's got to twist the hot knife of passion in that soft space right below your belly while pumping bullets into your heart. It's got to make you bleed . . . Staten Island Noir features some dusky and drop-dead gorgeous gems (emphasis on the dead) that do just that." —Grub Street Daily "[An] exceptionally strong anthology." —Publishers Weekly, starred review

Category Management in Purchasing Feb 23 2020 Category Management in Purchasing is a comprehensive guide to strategic category management, providing a step-by-step guide to its implementation and use. This book provides the necessary tools, techniques and applications that will enable the reader to implement this cost saving purchasing method. The 3rd edition of Category Management in Purchasing has been rigorously updated to reflect the latest thinking in the field. Jonathan O'Brien shows how a strategic approach needs to work effectively together with other approaches, such as Supplier Relationship Management. He has added important sections on governance, included more supplier and supply chain tools, and introduced a pragmatic route for smaller businesses or those who need step-by-step advice. The book provides case studies of real companies, including: IKEA, The Body Shop, NHS, Heinz, Cardiff Council, and GlaxoSmithKline.

The Fama Portfolio Oct 13 2021 Few scholars have been as influential in finance, both as an academic field and an industry, as Eugene Fama. Since writing his groundbreaking 1970 essay on efficient capital markets, Fama has written over 100 papers and books that have been cited hundreds of thousands of times. Yet there is no one collection where one can easily find his best work in all fields. "The Fama Portfolio" will be an outstanding and unprecedented resource in a field that still concentrates mainly on questions stemming from Fama's work: Is the finance industry too large or too small? Why do people continue to pay active managers so

much? What accounts for the monstrous amount of trading? Do high-speed traders help or hurt? The ideas, facts, and empirical methods in Fama's work continue to guide these investigations. "The Fama Portfolio" will be a historic and long-lasting collection of some of the finest work ever produced in finance."

Kundalini Exposed Oct 21 2019 Kundalini has been one of the most mysterious and well-kept secrets in the history of spirituality. Not anymore. Forget all Kundalini books. Most of them are either very abstract, occult, esoteric, with hidden information to not "enrage the Masters" or very "Goddess," "physically focused," "Westernized Yoga." Not this one. No compromises with any guru, organization or tradition. No secrets held back. No dogmas or elaborated rhetoric masquerading as true knowledge. No agenda. No BS. No Kundalini questions shall remain unanswered. Not only for "high initiates" or members of "hidden societies." It is for you. In simple and modern language. What you will find in the book: Rare Kundalini wisdom not found anywhere else. Disclosing the different levels of Kundalini awakening, its journey, and relation to Consciousness and Being. Know why awakening the Kundalini is of utter importance. Explanations on how to awaken it, raise it, and melt it into descending to its final reposing place. Real and direct first-hand knowledge-not from reading books or hearing stories. Suggestions for a powerful yet simple Kundalini Yoga routine. Straightforward practical instructions only. The Consequences of Kundalini Awakening and Grounding tricks to lessen any adverse side-effects. Revealing the truth about spiritual experiences and how to go beyond them. Cosmic Kundalini, "I-ego" and pure Consciousness uncovered. Helpful tips on how to prevent the "Kundalini syndrome," for a safe awakening of the Kundalini energy. The complete unveiling of the Spiritual Heart, one of the biggest enigmas in the whole of spirituality, in a clear and understandable way. And much more. This book is not for followers of any tradition in particular, but for those whose heart and mind are open to receive love and wisdom. The Crown Chakra is not the end. This book will teach you how to go beyond it, into your deathless and infinite non-dual awareness, where complete fulfillment, peace, love, and joy live. That's the true Home of the Kundalini. That's your true Home. Are you ready?

Emissaries from the Holy Land Sep 24 2022 For Jews in every corner of the world, the Holy Land has always been central. But that conviction was put to the test in the eighteenth century when Jewish leaders in Palestine and their allies in Istanbul sent rabbinic emissaries on global fundraising missions. From the shores of the Mediterranean to the port cities of the Atlantic seaboard, from the Caribbean to India, these emissaries solicited donations for the impoverished of Israel's homeland. Emissaries from the Holy Land explores how this eighteenth century philanthropic network was organized and how relations of trust and

solidarity were built across vast geographic differences. It looks at how the emissaries and their supporters understood the relationship between the Jewish Diaspora and the Land of Israel, and it shows how cross-cultural encounters and competing claims for financial support involving Sephardic, Ashkenazi, and North African emissaries and communities contributed to the transformation of Jewish identity from 1720 to 1820. Solidarity among Jews and the centrality of the Holy Land in traditional Jewish society are often taken for granted. Lehmann challenges such assumptions and provides a critical, historical perspective on the question of how Jews in the early modern period encountered one another, how they related to Jerusalem and the land of Israel, and how the early modern period changed perceptions of Jewish unity and solidarity. Based on original archival research as well as multiple little-known and rarely studied sources, *Emissaries from the Holy Land* offers a fresh perspective on early modern Jewish society and culture and the relationship between the Jewish Diaspora and Palestine in the eighteenth century.

The Tribulations of Ross Young, Supernat PA May 20 2022 "Company policy forbids me from exchanging my blood, my soul, or my firstborn child with customers..." When Ross starts working third-shift at a gas station, he doesn't think anything extraordinary will happen. He expects a lot of quiet shifts. Well, you know what they say about assumptions. One explosion later and he's the personal assistant to a vampire-who he admits is not only sexy, but the sane one-in charge of his supernatural clan's paperwork, and managing any trouble the members get into. Spoiler alert: the clan can get into quite a bit of trouble. Ross is definitely not paid enough for this. Essential Muir Jun 28 2020 "Like Muir himself, *Essential Muir* packs an astounding range of experience into a lithe frame: ecstatic yet scientific descriptions of Yosemite; the heartrending tale of that "wee, hairy, sleekit beastie," Stickeen; reflections on the society of Eskimos; Muir's touching tribute, after a lifetime of wonder, to the mighty baobab trees of Africa; and more. Fred D. White's selection from Muir's writings, and his illuminating commentary, reveal the coherence and drama of a remarkable life: new readers will understand why Muir has become an American icon, and readers who are familiar with his work will be delighted with this fresh look. Muir's fierce love of all of nature, from squirrels to glaciers (but perhaps not sheep), continues to inspire us nearly a century after his death."--Book jacket.

The Omega Prize Mar 18 2022 This is a story which will make your heart sing - a story for all the family to read together. Young Judy discovers an unexpected package in her grandfather's old study. She has never met her grandfather (Poppy) as he died before she was born, but Judy is the one to unearth the puzzle which Poppy left for his family. To find the treasure which Poppy left, the family must first solve every riddle which he wrote on a beautiful scroll, and carefully wrapped in a rich purple velvet bag. Unless they solve the puzzles, they won't find the treasure. See if you can solve the puzzles before the family does. What has Poppy left them as an inheritance? Have fun with the story and enjoy the Omega Prize at the end.

Medical Anthropology Mar 06 2021 Intended as the primary text for introductory courses on medical anthropology, this book integrates human biological data relevant to health and disease with both evolutionary theory and the social environments that more often than not produce major challenges to health and survival. Because students who take this fastest-growing anthropology course come from a variety of disciplines (anthropology, biology, especially pre-med students, and health sciences, especially), the text does not assume anything beyond a basic high-school level familiarity with human biology and anthropology. The authors first present basic biological information on a particular health condition and then expand their analysis to include evolutionary, historical, and cross-cultural perspectives. Among the topics covered are nutrition, infectious disease, stress, reproductive health, behavioral disease, aging, race/racism and health, mental health, and healers and healing.

In The Wake Dec 23 2019 Early one morning Arvid finds himself standing outside the bookshop where he used to work, drunk, dirty, with two fractured ribs, and no idea how he came to be there. He does not even recognise his face in the mirror. It is as if he has dropped out of the flow of life. Slowly, uncontrollably, the memories return to him, and Arvid struggles under the weight of the tragedy which has blighted his life - the death of his parents and younger siblings in an accident six years previously. At times almost unbearably moving, In the Wake is nonetheless suffused with unexpected blessings: humour, wisdom, human compassion, and a sense of the perpetual beauty of the natural world. By the winner of both the IMPAC Award and the Independent Foreign Fiction Prize.

The Induction Machines Design Handbook, Second Edition Oct 25 2022 Developments in power electronics and digital control have made the rugged, low-cost, high-performance induction machine the popular choice of electric generator/motor in many industries. As the induction machine proves to be an efficient power solution for the flexible, distributed systems of the near future, the dynamic worldwide market continues to grow. It is imperative that engineers have a solid grasp of the complex issues of analysis and design associated with these devices. The Induction Machines Design Handbook, Second Edition satisfies this need, providing a comprehensive, self-contained, and up-to-date reference on single- and three-phase induction machines in constant and variable speed applications. Picking up where the first edition left off, this book taps into the authors' considerable field experience to fortify and summarize the rich existing literature on the subject. Without drastically changing the effective logical structure and content of the original text, this second edition acknowledges notable theoretical and practical developments in the field that have occurred during the eight years since the first publication. It makes corrections and/or improvements to text, formulae, and figures. New material includes: Introduction of more realistic specifications and reworked numerical calculations in some of the examples Changes in terminology Discussion of some novel issues, with illustrative results from recent literature New and updated photos Data on new mild magnetic materials (metglass) An industrial "sinusoidal" two-phase winding Illustrations of finite element method airgap flux density Enhanced presentations of unbalanced voltage and new harmonic-rich voltage supply IM performance Discussion of stator (multiconductor) winding skin effect by finite element method Broad coverage of induction

machines includes applications, principles and topologies, and materials, with numerical examples, analysis of transient behavior waveforms and digital simulations, and design sample cases. The authors address both standard and new subjects of induction machines in a way that will be both practically useful and inspirational for the future endeavors of professionals and students alike.

The Grace Walk Experience Jun 21 2022 For years, Steve McVey's Grace Walk (more than 200,000 copies sold) has inspired Christians to leave behind a performance and fear-based faith to embrace a faith lived in abundance and grace. Now The Grace Walk Experience workbook helps readers move that message of hope from their heads to their hearts as they explore eight truths that have changed lives worldwide daily, interactive studies that reveal grace as much more than a doctrine ways to quit "doing" for God so that He can live through them illustrations of the wonder and miracle of faith as God intended God's Word, salvation, and evangelism with new perspective This excellent tool for church classes, small group discussion, and individual study will lead believers to understand their identity in Christ, let go of legalism, and make room for the overflowing love, mercy, and purpose of life lived wholly in God's grace.

Slave Stealers Aug 11 2021 Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, Incidents in the Life of a Slave Girl, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

Cross Breed Feb 05 2021 Fans of #1 New York Times bestselling author Lora Leigh's scorching Breed series first met Cassie as a little girl in Elizabeth's Wolf. Now Cassie has finally come into her own as a young woman, and she's about to discover the one she is destined for—but it is unclear whether her fate is to be mated for life, or marked for death... The Breeds are humans altered before conception with the DNA of the predators of Earth. But although they all carry the genetic material of beasts within them, Cassandra Sinclair stands apart. A unique mix of wolf, coyote and human, she is revered by many—but preyed upon by others. She is fiercely protected by her community...but no one manages to stop her when she slips away one day to offer her body in exchange for her sister's safety. The man she succumbs to surprises her by unleashing her inner animal in ways she never dreamed possible—and provokes her deep, furious rage. To Cassie's shock, he is the mate she has long awaited. She may never be able to forgive his deception. Still, as dangerous enemies track her, and as the threat of all-out war between Breeds and the humans who despise them hovers in the air, they must join forces and hold fast to each other. But the passionate union between them holds a potential that could change the world—and some will do anything to stop it...

[High Line Nudes](#) Nov 02 2020 From the foreword: "One of the High Line's powers is its ability to evoke time, to remind us of the changes we've experienced during our own lives, to bring forth echoes of the past, and to make us guess what life might be like years from now. I love the photos on these pages, because they have that power, too." --Joshua David, Co-Founder of the Friends of the High Line. Ten Avenues Press, in association with Friends of the High Line, announce the publication of High Line Nudes. In 2006, photographer Kevin McDermott took three of his friends up on the abandoned railroad tracks that would become New York City's High Line park to shoot a series of nudes. As McDermott states in his introduction, "at the time I took these photos, what I sought from its beauty was its sense of isolation, being alone, surrounded by nature in the middle of this metropolis." A decade later, this location is now one of the most visited tourist destinations in NYC and one of the largest real estate developments in the world. High Line Nudes captures a seemingly impossible, but beautiful moment in the history of the West Side Rail Yards, Chelsea and an ever changing New York City. The cloth hardcover book is beautifully printed in color and rich black and white duotone images.
