From Your Head to Your Heart Bible Study Guide Jun 28 2022 ARE YOU BRAIN WASHED? This question has always had a negative connotation, but within this Bible Study Guide you will learn the importance of having your brain washed! Life is full of experiences that are stored in our brains that are a filter for how we see ourselves, the world we live in, our relationship with others, and most importantly how we see God! Scientists have discovered that we actually have two brains: the brain in our heads (the cranial brain-learn and remember), and the brain in our hearts (sense and feel). According to research, the brain in the head is connected to the brain in the heart. The two brains send messages to each other through thousands of neurons and tiny filaments, but the messages don't necessarily coincide. The Bible says in Proverbs 23:7 that as a man "thinks in his heart," so is he. So, the truth in God's Word needs to work its way down (18 inches) from the brain in our head to the brain in our heart so that we can experience its life changing power. Included with the Bible Study Guide is a welcome video which you can view on MariaDurso.com. This study has been designed for individual use as well as applying it to a Small Group. Maria Durso is living proof that if anyone is in Christ, he is a new creation (2 Corinthians 5:17). Having come from a childhood devastated by loss and abuse she grew up to thinking she could mask her pain with drugs. Her lifestyle could have left her hopeless and alone yet God kept and preserved Maria's life. Understanding firsthand the effects of abandonment, loneliness and rejection, she ministers to those whose hurt lies deep in the heart and works to minister to those who need hope. Armed with discernment, insight into the true character of God, honest about her own experience, and down to earth, Maria is an intercessor, teacher and powerful speaker. In 1975, immediately following the first most important walk Maria would ever take down a church aisle Maria took her second most important walk down the aisle and married her life-long love, Michael Durso. God continues to open doors for her to minister in conferences, seminars and retreats. Connect with Maria Durso at [www.mariadurso.com](http://www.mariadurso.com). This study has been designed for individual use as well as applying it to a Small Group. To assist you in your study, the Bible Study Guide includes questions entitled Thoughts from the Heart at the end of each lesson. These exercises will hopefully challenge you to study further and apply God's Word to your personal life. In addition, there are Questions for Small Group Discussion, which are formulated to get your Small Group talking about the key issues in each lesson. Let's start to take the eighteen-inch journey from your head down into the deep valley of your heart, so you can slay the giants that are defying God's promises and blocking your blessings!

Scribbling in the Sand Study Guide Aug 26 2019 "To this day we have not the slightest idea what it was Jesus twice scribbled in the sand. By and large the commentaries have asked the wrong question through the ages. They labor over the content, over what he might have written. They ask what, without ever realizing the real question is why? It was not the content that mattered but why he did it. Unexpected. Irritating. Creative." Singer, songwriter and diligent student of Scripture, Michael Card is well known for the depth of his lyrics and the artistry of his music. But far more significant than the songs he has penned is the source of his inspiration--the creativity embodied in Jesus Christ, the incarnate Word of God. In his book Scribbling in the Sand Card explores the biblical foundations of true Christian creativity. Whether we think of ourselves as creative or not, all of us are created in the image of our Creator God, and thus creativity is a vital expression of our discipleship. This companion study guide provides eight sessions to help individuals and groups interact with the themes of Michael Card's book. With discussion questions, inductive Bible studies and creative exercises, each session provides opportunities for reflection, discovery and application. The user-friendly format makes this guide ideal for small groups, Sunday school classes or anyone who wants to enter into a life of Christian creativity.
