[Beautiful Encounter in Life](#) Jan 27 2022 I had dedicated 2 years of my life to write this book and connect to every heart out there, to bring back the fond memories of our childhood and the years growing up. I had shared my experiences with fictitious content which directly connects to the heart. A few pages of the book will narrate Harsh's childhood in Kendriya Vidyalaya in different states with various cultures. You will get a glimpse of the college days of

Harsh and Anagha where you will witness their beautiful love story. The book will help you correlate with your own lives and at some point, there will be a big smile on your face; and for me, that would be my achievement. Many of you may feel nostalgic about it and will cherish the beautiful and fond moments of your lives. Also, you will be able to see situations where Harsh and Anagha are involved in the welfare of society.
