Confessions of a British Doctor (The Confessions Series) Aug 29 2019 THE UK'S BESTSELLING EBOOK OF 2011. Benjamin Daniels is angry. He is frustrated, confused, baffled and, quite frequently, very funny. He is also a GP. These are his confessions.

Thank You for Caring Nov 12 2020 Mary Zaia's Thank You for Caring: A Celebration of Nurses, Doctors, and Other Health-Care Heroes helps you show your support and gratitude for those who give so much. We depend upon the dedication of health-care providers to care for us and our loved ones at some of our most vulnerable times. One of the best gifts we can give in return: recognition of the challenging conditions they face so gracefully each day and support for the special calling to service they have answered. With this collection of moving quotes, celebrate the extraordinary character of nurses, doctors, and all health-care providers to put others first and touch our lives in so many meaningful ways.

Naughty Nurse Jun 27 2019 "Listen. A good man will recognize when he has a good woman on his hands. That's all I'm sayin'." Austin Romero crash lands in Nereida Kelly's perfectly boring life. She's a typical RN working too many hours with a man who doesn't appreciate her. A patient on the verge of death comes into the ER and her heart stops. There's something magnetic about him... something alluring... something dangerous. She can't stop herself from wanting to be close to him. With her relationship falling apart, Nereida sets her eyes on someone else. Austin. Austin Romero has his secrets... His hot nurse, Nereida Kelly, risks getting too close and threatens to blow his past wide open. He should stay away from her at all costs. Yet, it's not every day a man's blessed with a thick, full-figured nurse like Nereida Kelly. His alpha male instinct takes over. She must be his... spiritually, emotionally, sexually... Secrets, bad blood, and danger be damned. He has to have a taste. Austin must turn this good woman into his naughty nurse. This book was briefly published in 2015 under a previous title but has since then been extensively reworked into this brand new, smokin' hot new novella. This slow-burn interracial BWWM romance builds to an ultra-steamy satisfying finish that will

keep you hooked 'til the end as you unlock more and more of the secrets keeping the characters apart...

Turned into a Female Nurse Apr 29 2022 Michelle Beaufort is a nineteen year old boy of French parentage hoping to start a new career as a male nurse. When he turns up on his first day at the hospital only to discover that there's been an administrative error, he finds that he's about to join an all female class - as a girl! His new roommate, Tanya, soon embraces the challenge of having her unexpectedly male roommate pass himself off as a girl with the aid of her friends. Between them they manage to coerce and fool Michelle into putting on her clothes in order to hide his true gender. He soon finds himself being immersed into a deception that could cost him his career and invite the ridicule and shame of his family. To make matters worse, his roommates and fellow student nurses seem perfectly happy to torment him sexually, thoroughly enjoying having a boy dressed as a girl in their midst and totally under their control. Michelle will need to decide whether he wants to escape his fate as a young female nurse - being targeted sexually by more than just his female roommates - or whether he's content to submit to a very different life as a girl. Is it already too late to change his fate? Will he face expulsion as a fraud or will he find a way to come to terms with his new identity? Follow Michelle as he finds himself being feminized and dominated by his fellow student nurses in a world of sexual torment and submission. This is a sexually explicit tale of male feminization designed strictly for adults only, including scenes of masturbation, m/f oral sex, m/m oral sex, anal play & anal sex. Categories: Transgender, Feminization, Forced Feminization, Sissy Fiction, Transgender Erotica, Erotica Short Stories, Transvestite Fiction, Femdom.

Zero Days in Safety Sep 10 2020 In this book the author explores his journey from a carefully-constructed and well-engrained narrative of safety into emotional upheaval and despair resulting from a traumatic accident. The author, an administrator, nurse, and nurse educator, also presents his entree into nursing, flirts with the covert-and often overt-misandry he experienced from instructors and colleagues, ending on a hopeful note as he received care from many of the students he educated. In tandem, the author celebrates his Faith as well as nursing theory and the QSEN competencies, all of which had a positive impact on his outlook and care.

Man in a Female World Aug 02 2022 The author joined the nursing profession a few short years after the National Health Service was launched, and when nursing was still an almost entirely female occupation. In the present era of political correctness and studied avoidance of sexual discrimination, male nurses are not exposed to the horrors which Mike Bolger recalls so amusingly in this book. The book is illustrated with cartoons which exactly identify the situations Mike Bolger describes, and add an extra dimension to an already rich tapestry. This is one of those books that have to be read from cover to cover. Everyone who has ever worked in the nursing profession will recognise the total authenticity of the stories Mike tells, and everyone, nurse or not, will be able to laugh and cry with him.

The Story of Me a Black Nurse Jun 19 2021 This narrative is about the personal struggles of being a Black Woman and being a Black Professional in a society that is still bound with racial and gender bias. Her stories navigate you through the career of a young woman who has hopes, dreams, needs, a purpose and aspirations but she faces constant opposition to fulfilling and attaining these basic human requirements. Like so many people of color before her, she achieves a certain measure of success but the measure of success is minor compared to what she must do to achieve it. It is a reflection of the despair she was feeling when she wrote it but does not fully reveal the appreciation, compassion and love that she has for mankind. It is time

for a change!

The Nurse's Secret Sep 30 2019 Set in 1880s New York and based on the little-known story of America's first nursing school, acclaimed author Amanda Skenandore's new historical novel is a fascinating story of one woman's search for identity and independence. In the slums of 1880s New York, Una Kelly has grown up to be a rough-and-tumble grifter, able to filch a pocketbook in five seconds flat. But when another con-woman pins her for a murder she didn't commit, Una is forced to flee. Running from the police, Una lies her way into an unlikely refuge: the nursing school at Bellevue Hospital. Based on Florence Nightingale's nursing principles, Bellevue is the first school of its kind in the country. Where once nurses were assumed to be ignorant and unskilled, Bellevue prizes discipline, intellect, and moral character, and only young women of good breeding need apply. At first, Una balks at her prim classmates and the doctors' endless commands. Yet life on the streets has prepared her for the horrors of injury and disease found on the wards, and she slowly gains friendship and self-respect. Just as she finds her footing, Una's suspicions about a patient's death put her at risk of exposure, and will force her to choose between her instinct for self-preservation, and exposing her identity in order to save others. Amanda Skenandore brings her medical expertise to a page-turning story that explores the evolution of modern nursing—including the grisly realities of nineteenth-century medicine—as seen through the eyes of an intriguing and dynamic heroine. **PRAISE FOR AMANDA SKENANDORE'S THE SECOND LIFE OF MIRIELLE WEST** "In this superior historical, the author's diligent research, as well as her empathetic depiction of those subjected to forced medical isolation, make this a winner." —Publishers Weekly

Get Well Soon! May 07 2020 Falling into the nursing profession, Kristy Chambers spent almost a decade working with a wide range of people, ranging from drug addicts to cancer patients. Dark, humorous, honest, and compassionate, this memoir illustrates the incredible work nurses do and the many challenges they face. A tribute to the wonderfully brave people Chambers met during her career, this book portrays both joyous and difficult experiences.

Grab your copy of My Daddy the Amazing Nurse today and set off on a learning adventure with your children!

The Nurses Apr 05 2020 A New York Times bestseller. "A funny, intimate, and often jaw-dropping account of life behind the scenes."—People Nurses is the compelling story of the year in the life of four nurses, and the drama, unsung heroism, and unique sisterhood of nursing—one of the world's most important professions (nurses save lives every day), and one of the world's most dangerous, filled with violence, trauma, and PTSD. In following four nurses, Alexandra Robbins creates sympathetic characters while diving deep into their world of controlled chaos. It's a world of hazing—"nurses eat their young." Sex—not exactly like on TV, but surprising just the same. Drug abuse—disproportionately a problem among the best and the brightest, and a constant temptation. And bullying—by peers, by patients, by hospital bureaucrats, and especially by doctors, an epidemic described as lurking in the "shadowy, dark corners of our profession." The result is a page-turning, shocking look at our health-care system.

Fetch Nurse Connie Feb 25 2022 London, 1945 and as the end of the war is declared and the troops start returning home, the nurses of the East End are joining in the celebrations. For Nurse Connie Byrne the end of the war signals the beginning of a new chapter and as the revelries go on around the city, Connie's mind is on another celebration that she'll be able to arrange - the wedding to her sweetheart, Charlie, set to take place as soon as he arrives home. But when Connie meets Charlie off the train at London Bridge, she finds that his homecoming isn't quite going to go according to plan... Connie's busy professional life, and the larger-than-life patients in the district, offer a welcome distraction, but for how long? If nursing in the East End has taught Connie anything, it's that life is full of surprises... A heart-warming family saga, perfect for fans of Nadine Dorries and Annie Groves.

Confessions of a School Nurse (The Confessions Series) Mar 05 2020 From the people who brought you the bestselling Confessions of a GP.

The Female Touch Apr 17 2021 Lacy Jones is hired at Dr. Eve Lyons' urology practice, instantly welcomed into a sisterhood of nurses. However, she discovers her expectations require more than the average employment. At a work social gathering, Lacy is forced to admit her husband's short comings. Armed with the information, Eve exploits the opportunity, preying upon a new victim. Forcing Mr. Jones onto the examination table, he will face pleasurable humiliating treatments for premature ejaculation. Though, the moment Dr. Lyons sees him, she is haunted by a familiar face. What was intended to be a fetish fix, turns into a mission of revenge. Warning: This 19,000 word story contains graphic language, erotic situations, oral sex, straight sex, male submission, medical play, anal play, orgasm denial, prostate play, enema play, penis milking, exhibition (F/F), voyeurism, domination, submission, humiliation, medical fetish, doctor/patient sex, sex with medical instruments, and is a story for adults (18+)

Nurse! Nurse! Jul 21 2021 'Engaging, compassionate and often very moving' Daily Mail A student nurse's story As punishment for some youthful high jinks, 16-year-old Jimmy Frazier is made to volunteer in a London hospital. The experience shocks him, and he swears he will never set foot on a ward again. Two decades later, older but not a lot wiser, some strange twists of fate lead Jimmy back to hospital - but this time as a student nurse. Along with a motley crew of fellow students, Jimmy throws himself into the heart of the NHS. Whether caring for patients in children's hospitals, prisons, mental health facilities or post-surgical wards, Jimmy and his fellow students attempt to make a difference. On their way they are inspired by the angelic Super Nurse and the acid-tongued Mr Temple. But can they stick out the three years it takes to make the grade as a fully-qualified nurse...?

One Percent of You Jan 03 2020 Make no mistakes about it. I know what I look like to others. Young, government-aided, pregnant mom. They see Lucy on my hip, and they see a mistake. I mean, why else would someone have a child so young, right? They couldn't be more wrong. I'm too busy most days between parenting, work, and finishing up my last year of nursing school to let their judging gaze tear me down until he moves into the vacant house next to the apartments I live in. His cold, blunt observation of us doesn't differ from any other stranger. He doesn't know me, but he's already painting a picture of who he thinks I am in his mind. He judges my very round belly, Lucy's inability to leave him alone, the bags under my eyes, and the fact that I couldn't care less what I look like anymore. He's a rude guy. Stays that way for months too. Then something happens, I'm not even sure what. Judgmental Guy decides Lucy and me-as well as baby Eli, are worth his friendship. Turns out, Judgmental Guy isn't too mean-okay, he kind of still is. But he graduates to Elijah. I build an unlikely friendship with him which deems it necessary for him to start smiling around me and my kids. I'm wrong again. Elijah isn't

rude. He's terrifying. His strange acts of kindness are unraveling me. Elijah is only my friend. Right? Oh, fudge. I think I'm wrong. Again.

Confessions of a GP (The Confessions Series) Oct 12 2020 Benjamin Daniels is angry. He is frustrated, confused, baffled and, quite frequently, very funny. He is also a GP. These are his confessions.

Men in Nursing Sep 03 2022 Named an Outstanding Academic Title for 2007 by Choice! "[A] fascinating historical perspective on men in nursing; the societal stereotypes associated with nurses and nursing; and the gender-based barriers facing males in the profession and those considering nursing as a career.... Everyone in the expanding health care delivery system should read this book on men's contributions to the field of nursing. Essential." --Choice From the Foreword: "At a time when all of the world's talent must be tapped to provide the top-notch quality of health care that we all need and deserve, no profession can afford to ignore any of its brightest and best. Gender neutrality in nursing must be attained; our future patients deserve it. Thankfully this book will help." --- Eleanor J. Sullivan, PhD, RN, FAAN, Former Dean, University of Kansas School of Nursing and Past President, Sigma Theta Tau International "This book is the first of its kind and a very valuable addition to the nursing literature. It is an excellent read and has many implications for nursing education." Score: 96, 4 stars --Doody's "The editors and contributors...are not afraid to tackle controversial topics like reverse gender discrimination in nursing leadership, masculine styles of nursing care, and the effects of gender on communication and workplace relationships. Other chapters explore the history and accomplishments of the American Assembly for Men in Nursing (AAMN), lessons learned from other countries...and future leadership opportunities for male nurses in the 21st century, including recommendations for a men's health nurse practitioner curriculum." --Minority Nurse If you're thinking about a career in nursing or currently practicing in the field, this new innovative guide is just for you. For the first time, authors, educators and practicing nurses, Chad O'Lynn and Russell Tanbarger offer a unique insider's view to how men work, succeed, and survive in this fast growing segment of the healthcare industry. From the barriers and stereotypes men must overcome, to the basic daily work needs they have as nurses, this book covers the entire spectrum of career-based issues men face today and have faced in the past. Men in Nursing is the perfect guide for men seeking a career in this fast growing industry. From insider advice and real-life experiences, this new innovative and inspiring guide is a must-have for everyone involved in the field today. Topics Covered Include: History-Presents an inspirational overview of the contributions men have made to the nursing field. Current Issues - Provides recommendations to address barriers such as reverse discrimination, workplace communication and leadership. Future Directions-Offers insight and solutions in order to grow and maintain the interest and enthusiasm of men for careers in nursing. Essential Data Included: List of U.S. Nursing Schools for Men Curriculum Recommendations Top 10 Barriers Men Face Important Research Data o lynn o lynn

The Male Concubine Dec 14 2020 The Princess of a small African country is afforded the company of a human teddy bear a blond boy of unknown origin. The Dominant and devious nurse uses the boy to teach and mold the Princess into the most Dominant of females, denying the boy clothing and using his anatomy to instruct the Princess on the weaknesses and vulnerabilities of the male gender. In time, an evil doctor castrates the boy and inserts penal implants... thus the Princess can have her cake and eat it too! No risk of procreation, but a

permanently stiffened organ constantly available to satisfy her girlish pleasure. Upon the death of the King, the Princess becomes the Queen, where her unusual upbringing imbues her with an aura of power and admirable selfconfidence. She easily assumes her duties of omnipotent ruler, having been well served in her youth dominating her male companion. The Queen finds the Palace dungeon to be an ideal facility for the imprisonment of border intruders and traitors, foolishly proud males. Her goal is to turn her dungeons into a showcase of her power. Written in the traditional 'gothic' style of Chris Bellows, the male concubine undergoes thorough domination by the Superior sex. Other miscreant males find themselves serving as beasts of burden on the doctor's farm. NOTE: This book is not for the uninitiated reader of Femdom D/s literature. For those merely curious about erotica, do not select this for your first read.

Don't Piss Off a Nurse!! Dec 26 2021 Tony Welks tells his version of the story. Pissed off at the Nursing profession and his back stabbing coworkers he plots his revenge. Tony tells a cynical tale of what its like to be a nurse in this modern day materialistic society. Few know the trials of a nurse. Welcome to our divisive world.

Call Nurse Millie Nov 24 2021 'A delightful, well researched story that really does depict nursing and the living conditions in the East End at the end of the war' Lesley Pearse London is putting itself back together and twenty-five-year-old Millie is at the forefront of the effort as she tends to the East End community around her. While she witnesses tragedy and brutality in her job, Millie also finds strength and kindness as her training begins to pay off, helping her to bring her patients back to health and welcome babies into the world. But it's not only the patients that need Millie as matters of the heart bring both tears and joy for the young nurses. With grit and gumption, Millie and her friends do their best to find their way through first loves and heartbreaks, and balancing their duty of care with looking after each other. But when misfortune befalls her own family, it is the enduring spirit of the community that shows Millie that even the toughest of circumstances can be overcome. An absorbing and richly detailed novel following the life and work of a young nurse in post-war East London - perfect for anyone who loved CALL THE MIDWIFE.

Confessions of a Male Nurse (The Confessions Series) Nov 05 2022 From the people who brought you the bestselling Confessions of a GP.

Oh, Nurse! Jun 07 2020 You think hospitals are full of calm competent professionals? You're about to get a true behind-the-scenes look at exactly what it's like to be a nurse. (And a male nurse, at that!) Oh, Nurse! is David Daniels's first-hand account of his experiences as a nurse,

offering personal anecdotes to peel open the curtain to unveil the secrets of the nursing life. Following Daniels over the course of his 30-year career, this book helps the reader discover the hidden truths of medical professionals, both good and not so good, and it even describes specific instances where he either succeeds or fails to help particular patients. This book will show you: - The good, bad, and ugly everyday life of a nurse. - The nuances of being a male in a female-dominated profession. - What it takes to be successful in the medical field. - Hidden truths of medical professionals from dirty secrets in the break room to losing the motivation to help patients. With its memoir structure, *Oh, Nurse!* brings the nursing profession to life. As David Daniels finds the strength to overcome his own hurdles, he also manages to help his patients find joy and hope in the grimmest of situations. And with this tell-all book, he aims to do the same for you.

Yoga for Nurses Feb 13 2021 "Yoga for Nurses provides the means for nurses to support and enhance our ability to care for ourselves. It gives nurses information and strategies to deal with the physical and mental imperatives found in our daily work life." --Jill Howie Esquivel, RN, PhD University of California, San Francisco (From the Foreword) "The first yoga instruction book directed specifically toward nurses....Dr. Kollak...has written a book that assists nurses in taking time to care for themselves. The content in this book could be easily incorporated into a nursing inservice program as a means to prevent on-the-job, stress-related injuries." --Cindy Ann Howell, RN, MS, CNOR, CMLSO University of Texas, MD Anderson Cancer Center Don't let mental stress, chronic pain, and fatigue disrupt your professional and personal life any longer. Dr. Ingrid Kollak's *Yoga for Nurses* offers a tested therapy, proven to alleviate physical and mental pain, stress, and fatigue. As a yoga expert and a registered nurse herself, Dr. Kollak can show you how yoga is able to prevent and cure common ailments such as chronic neck and back pain, headaches, sore eyes, and lack of sleep. With this book, you'll learn how yoga works physically to reduce pain by stretching and strengthening muscles made tense from your normal, repetitive work routine. Kollak also shows you how yoga works on a mental level to provide an exceptional anti-stress program. This book, written by a nurse for nurses, presents a series of yoga exercises and practices that will allow you to regain your strength, reduce your physical pain, revitalize your mind, and transform your entire work experience. Key Features: Author is both a yoga expert and registered nurse Includes large print photos, detailing how each exercise should be done Contains different levels of yoga exercises, from easy-to-learn to advanced Exercises can be used both at work and in the home A fun, rewarding read!

Danger: I'm a Nurse with a Penis: Stories and Lessons from the Field Jul 09 2020 I follow only one rule: go to where the pain is. I've been a male nurse for 5 years and want to share my adventures. I've also asked the following questions as guideposts: What do men really need to know about nursing? What can I share to add value to people considering nursing as a career? What would I have wanted to know when I was 18 years old? How could I express what people need to know, not what they want to know? I quit nursing, only to come back again. Here are some stories and lessons along the way. All the best, Walt Cummings

Murse. the Man. the Myth. the Legend. Dec 02 2019 Are you looking for a fun gift for someone close to you? This is a perfect blank, lined journal for men, women, and children. Be sure to click on the author name for other great journal ideas.

Confessions of a Community Nurse Feb 02 2020 The difference between a student nurse and a registered professional, the past and the future, is simply one day. From travel sickness in the back of an ambulance to chasing 87-year-old patients down the corridors of care homes, from borderline assault to ulcers big enough to fit your fist into, Confessions of a Community Nurse follows the experiences of Lucy and her transition from timid student to a healthcare professional in the NHS. After a shaky start to her career, Lucy has now encountered every bodily fluid going, smelled things no-one should ever have to smell, and resisted the urge to bang her head against a wall more times than she can count. Between fond attachments to patients and wanting to hand them the nails for their own coffins, Lucy has flourished in the healthcare profession, not being afraid to speak up for her patients but also not being afraid to speak up for herself. Offering a completely truthful insight into being a 'baby nurse', it is funny and honest, but also emotional and humbling. Written as a memoir, it may just change the way you think about district nursing and open the mind to understanding the frustrations, and passions, of healthcare staff and patients alike.

The Good Nurse Mar 17 2021 NOW A NETFLIX FILM STARRING EDDIE REDMAYNE AND JESSICA CHASTAIN After his arrest in 2003, registered nurse Charlie Cullen was quickly dubbed 'The Angel of Death' by the media. But Cullen was no mercy killer, nor was he a simple monster. He was a favourite son, husband, beloved father, best friend and celebrated caregiver. Implicated in the deaths of as many as 300 patients, he was also perhaps the most prolific serial killer in American history. Cullen's murderous career in the world's most trusted profession spanned sixteen years and nine hospitals. Chronicling Cullen's deadly career and the breathless efforts to stop him, The Good Nurse paints an incredibly vivid portrait of madness and offers an urgent, terrifying tale of murder, friendship and betrayal.

In Stitches Aug 10 2020 The true story of an A&E doctor that became a huge word-of-mouth hit.

In Rude Health Sep 22 2021 From the man with a device lodged far inside his body whose batteries refuse to run out to a woman with a plunger super-glued to her vagina, In Rude Health recounts real life tales from the coal face of the NHS. From doctors, nurses, physiotherapists, psychiatrists and dentists come a range of eye-popping, side-splitting acts of misadventure that have had the medical profession weeping into their face masks as they attended to members of the great British public in their hour of need. From the publishers of UK Booksellers Association Top 5 Christmas book, 101 Uses of a Dead Kindle, In Rude Health is a riotous account of the weird, the warped and the whacky ways we end up in the hands of the medical profession.

THE PATIENT NURSE Jan 27 2022 Noreen is a nurse who has never been loved. She secretly loves Ramon, a heart surgeon, but he seems to have a vendetta against her. She has no idea if the throbbing pain in her chest is because of her chronic heart condition or, in fact, her broken heart. One day, she falls seriously ill, and the surgeon who operates on her is none other than Ramon! He finally learns about Noreen's feelings, but is it too late for him to mend her broken heart?

A Man's Guide to a Nursing Career Jul 01 2022 Named a 2013 PROSE Award Honorable Mention in Nursing and Allied Health Sciences Winner of the Dr. Gene Tranbarger Writing Award from the American Assembly for Men in Nursing "Though O'Lynn emphasizes a male perspective on becoming a nurse, this book should be required reading for anyone thinking about entering the nursing profession....The section on nursing education from the perspective of both students and instructors is worth the price of the book....Highly

recommended."--Choice: Current Reviews for Academic Libraries "I love this book. It has inspired and motivated me to continue to do something for men in nursing at the college where I teach as well as for men in our delivery rooms and postpartum units. We need to move beyond women and children and include men as fathers to truly promote wellness for families." --Janet Ierardi, MSN, RNC, CNE Assistant Professor Family Focused Nursing Lawrence Memorial/Regis College Nursing Program This is a nuts and bolts guide to a career in nursing--from the earliest consideration of a nursing career through education and clinical practice--designed specifically for men. Written by the author of *Men in Nursing: History, Challenges and Opportunities*, it was created at the request of numerous colleagues for a book that addressed the practical needs and concerns of men throughout their nursing career journey. The text presents the numerous career paths available in nursing along with a consideration of their financial benefits, job security, personal fulfillment, and the need for nurses who are adept at information management and high tech-skills. The history of nursing is discussed through biographies of nine remarkable male nurses, offering much needed historical role models. The guide discusses strategies for dealing with a rigorous nursing curriculum compounded by the challenges of anti-male sentiment that is sometimes present. It takes the reader from day one of nursing school through the licensing exam and also addresses the specific needs of second-degree and accelerated program students. The book discusses the obstacles that may result from cross-gender nursing communication and relationships with a focus on teamwork. Also covered are professional development and leadership concerns in light of criticism from some women that men advance for self-serving reasons or "on the backs" of women colleagues. Key Features: Discusses how to navigate the rigors of nursing school along with strategies for success Explains how cope with anti-male sentiment Describes how to create an application that stands out from the pack Helps male students to boost caring skills and touch patients in ways that reflect professionalism, empathy, and skill Includes helpful advice for landing a first job

Confessions of a Male Nurse May 31 2022 A dark comic novel about life, love, pain, nursing, and being gay, this book takes you on a rollercoaster ride through the on-and-off duty life of a gay male nurse in the early 1980s before AIDS became omnipresent. It tells how he wants to make a difference with his life by helping those in need.

The Language of Kindness May 19 2021 'It made me cry. It made me think. It made me laugh' Adam Kay Christie Watson was a nurse for twenty years. Taking us from birth to death and from A&E to the mortuary, *The Language of Kindness* is an astounding account of a profession defined by acts of care, compassion and kindness. We watch Christie as she nurses a premature baby who has miraculously made it through the night, we stand by her side during her patient's agonising heart-lung transplant, and we hold our breath as she washes the hair of a child fatally injured in a fire, attempting to remove the toxic smell of smoke before the grieving family arrive. In our most extreme moments, when life is lived most intensely, Christie is with us. She is a guide, mentor and friend. And in these dark days of division and isolationism, she encourages us all to stretch out a hand. 'A powerful insight into the life of nurses' *The Times*, Books of the Year 'A remarkable book about life and death and so brilliantly written it makes you hold your breath' Ruby Wax

Nurses On The Inside: Stories Of The HIV/AIDS Epidemic In NYC Oct 31 2019 *Nurses On The Inside* details the stories of two nurses who witnessed the frontline of the early years of the HIV/AIDS epidemic. Although some of the names, locations, and events have been changed or dramatized, it is important to remember this: this is what really happened to them, and it

happened not only to them in New York, but in San Francisco, LA, Miami, and dozens of other cities in the US. Ellen and Valery were not alone, there were hundreds of nurses who went through this experience. They want to tell this story to give a voice to a generation lost, allowing the world to remember. This history cannot be repeated.

The COVID Nurse Experience Jul 29 2019 Inside each room, there was a stretcher where the patient would eventually be. "They knew that this disease was out there and they should have protected us prior to being exposed. We should have been protected": Nurse On this day, I was moved to the intensive care setting. Just as I had predicted, the number of critically ill patients is increasing. "I definitely thought I was going to die and I told them I wanted to be DNR (Do Not Resuscitate). I did not want to be intubated, I didn't want to go on any machine. I just didn't want to do that. I didn't want to have that experience. I didn't want them to do that to my body": Nurse I returned to work to find an empty bed where my patient once was. I found out by speaking to my colleague that he had died over the past few days. "It was grueling, rewarding, it was gross, it was eye-opening, it was humbling, all of that; it stretched me beyond what I knew that I could possibly do": Nurse "When I first took my temperature, I'm going to be honest, I cried. I cried like a baby": Nurse's aide. "I felt like I was a soldier going to war, being deployed. There was a moment when I felt very patriotic. And I felt equipped specifically for this kind of battle because I'm a nurse and there's not that many people that could fill these roles": Nurse "Oh my God, it was surreal because, I think, even though we were seeing, we were hearing it on the news, it just became more of a reality, it just became more serious": Nurse Man Up! Oct 04 2022

The Nurse's Not-so-secret Scandal Aug 22 2021 Between family nightmares and a series of lousy men, nurse Roxie Morano's life is a disaster zone. But enigmatic (and gorgeous!) new colleague Ryan "Fig" Figelstein is ignoring her hazard warnings--instead, he's signaling his attraction! Now Roxie's bulletproof heart is at risk ... but dare she dream Fig will stick around when he discovers all her secrets?

I Wasn't Strong Like This When I Started Out: True Stories of Becoming a Nurse Oct 24 2021 This collection of true narratives reflects the dynamism and diversity of nurses, who provide the first vital line of patient care. Here, nurses remember their first "sticks," first births, and first deaths, and reflect on what gets them through long, demanding shifts, and keeps them in the profession. The stories reveal many voices from nurses at different stages of their careers: One nurse-in-training longs to be trusted with more "important" procedures, while another questions her ability to care for nursing home residents. An efficient young emergency room nurse finds his life and career irrevocably changed by a car accident. A nurse practitioner wonders whether she has violated professional boundaries in her care for a homeless man with AIDS, and a home care case manager is the sole attendee at a funeral for one of her patients. What connects these stories is the passion and strength of the writers, who struggle against burnout and bureaucracy to serve their patients with skill, empathy, and strength.
