fooddata central Jul 18 2019 the gov means it s official federal government websites always use a gov or mil domain before sharing sensitive information online make sure you re on a
gov or mil site by inspecting your browser s address or location bar
natural disaster wikipedia Sep 19 2019 a natural disaster is the negative impact following an actual occurrence of natural hazard in the event that it significantly harms a community
a natural disaster can cause loss of life or damage property and typically leaves some economic damage in its wake the severity of the damage depends on the affected population s
resilience and on the infrastructure available
