Freedom's Children Dec 03 2019

Vendulka Oct 01 2019 Famed Czech Avant-garde photographer Jan Lukas snapped an offhand portrait of twelve-year-old Vendulka Vogl in March 1943. A friend of the Vogls, Lukas was saying goodbye to the family, who were soon to leave Prague for a concentration camp. The photograph almost didn't see the light of day—Lukas knew that if the Nazis found it on him, he could wind up in the camps as well—but the image was eventually developed and came to symbolize the Holocaust and humanize its victims.

Seventy years after this famous picture was taken, investigative journalist Ondřej Kundra discovered that, despite all odds, Vendulka Vogl had survived the camps of Terezín, Auschwitz, and Christianstadt, and was in fact still alive and living in the United States. Kundra persuaded her to tell the remarkable story surrounding the photograph: her survival, her later decision to flee the Communist regime for America, and how she later reconnected with Jan Lukas, maintaining a lifelong friendship. Vogl's thrillingly moving story, Kundra's sharp and engaging writing, and Lukas's striking photography all combine to make Vendulka an inspiring investigation into the horrors of totalitarianism and the redemptive beauty of friendship.

Battle Cry of Freedom Apr 30 2022 Filled with fresh interpretations and information, puncturing old myths and challenging new ones, *Battle Cry of Freedom* will unquestionably become the standard one-volume history of the Civil War. James McPherson's fast-paced narrative fully integrates the political, social, and military events that crowded the two decades from the outbreak of one war in Mexico to the ending of another at Appomattox. Packed with drama and analytical insight, the book vividly recounts the momentous episodes that preceded the Civil War--the Dred Scott decision, the Lincoln-Douglas debates, John Brown's raid on Harper's Ferry--and then moves into a masterful chronicle of the war itself--the battles, the strategic maneuvering on both sides, the politics, and the personalities. Particularly notable are McPherson's new views on such matters as the slavery expansion issue in the 1850s, the origins of the Republican Party, the causes of secession, internal dissent and anti-war opposition in the North and the South, and the reasons for the Union's victory. The book's title refers to the sentiments that informed both the Northern and Southern views of the conflict: the South seceded in the name of that freedom of self-determination and self-government for which their fathers had fought in 1776, while the North stood fast in defense of the Union.

founded by those fathers as the bulwark of American liberty. Eventually, the North had to grapple with the underlying cause of the war--slavery--and adopt a policy of emancipation as a second war aim. This "new birth of freedom," as Lincoln called it, constitutes the proudest legacy of America's bloodiest conflict. This authoritative volume makes sense of that vast and confusing "second American Revolution" we call the Civil War, a war that transformed a nation and expanded our heritage of liberty.

Education in Eighteen Years of Freedom Jul 22 2021

Earning Freedom! Oct 13 2020 Michael Santos helps audiences understand how to overcome the struggle of a lengthy prison term. Readers get to experience the mindset of a 23-year-old young man that goes into prison at the start of America's War on Drugs. They see how decisions that Santos made at different stages in the journey opened opportunities for a life of growth, fulfillment, and meaning. Santos tells the story in three sections: Veni, Vidi, Vici. In the first section of the book, we see the challenges of the arrest, the reflections while in jail, the criminal trial, and the imposition of a 45-year prison term. In the second section of the book, we learn how Santos opened opportunities to grow. By writing letters to universities, he found his way into a college program. After earning an undergraduate degree, he pursued a master's degree. After earning a master's degree, he began work toward a doctorate degree. When authorities blocked his pathway to complete his formal education, Santos shifted his energy to publishing and creating business opportunities from inside of prison boundaries. In the final section, we learn how Santos relied upon critical-thinking skills to position himself for a successful journey inside. He nurtured a relationship with Carole and married her inside of a prison visiting room. Then, he began building businesses that would allow him to return to society strong, with his dignity intact. Through *Earning Freedom!* readers learn how to overcome struggles and challenges. At any time, we can recalibrate, we can begin working toward a better life. Santos

served 9,135 days in prison, and another 365 days in a halfway house before concluding 26 years as a federal prisoner. Through his various websites, he continues to document how the decisions he made in prison put him on a pathway to succeed upon release.

Freedom Jul 30 2019 This epic Civil War novel depicts both the minor and major characters of the war, including a politically devious, grimly humorous, and cruel when necessary President Lincoln

Development as Freedom Sep 11 2020 Amartya Sen is the most respected and well-known economist of his time. This book is a synthesis of his thought, viewing economic development as a means to extending freedoms rather than an end in itself. By widening his outlook to include poverty, tyranny, lack of opportunity, individual rights, and political structures, Professor Sen gives a stimulating and enlightening overview of the development process. His compassionate yet rigorous analysis will appeal to all those interested in the fate of the developing world, from general reader to specialist.

The Leverage Equation Jun 28 2019 In *The Leverage Equation: How to Work Less, Make More, and Cut 30 Years Off Your Retirement Plan*, former hedge fund manager and five-time author Todd Tresidder unpacks the principles, strategies, and tools you need to grow your wealth in time to get the most out of it.

Freedom Summer Mar 06 2020 In 1964, Joe is pleased that a new law will allow his best friend John Henry, who is black, to share the town pool and other public places with him, but he is dismayed to find that prejudice still exists.

The Liberty Book Sep 23 2021 News reports bring to our ears daily stories of further intrusion in our lives and increased regulations too many to number. America is losing its heritage of God-given freedoms, which were originally derived from biblical teaching. We sense that our well-sung liberties are being lost to a point of no return. of liberty, idolatry, taxation, foundations for freedom, the right to bear arms, the great freedom documents in history, pro-life and liberty, land rights, social involvement, and more. With God's help freedom can be revived. We must all work to pull America back from the cliffs-edge fall into tyranny. Our nation is again in search of genuine liberty under God. Discover what Bible-based liberty looks like and how it can be won for you and your children.

Year of Freedom Nov 01 2019

Four Years of Freedom Jan 28 2022 Four Years of Freedom is the true story of a young man growing up in Southern California, who pays the long term price of wanting to be cool more than anything else in his youth. Drugs, gangs, prison, and a wrongful conviction for murder follow as he enters early adulthood. Finally snapping back to reality, he once again finds his true self...and a world full of regrets. But, is the damage to his life irreparable by now? A story that spans several years, Four Years of Freedom will take the reader through many unfamiliar worlds; some dark, some pleasant, So.Cal. teenage culture, gangs, drugs, prison, world travel, adult dating, and much, much more. But most of all, you'll see our own world through the eyes of an outsider. Whether you like dark humor, or thoughtful drama, there's something here for everyone.

Long Walk To Freedom Feb 03 2020 These memoirs from one of the great leaders of our time are 'essential reading for anyone who wants to understand history - and then go out and change it' Barack Obama The riveting memoirs of the outstanding moral and political leader of our time, Long Walk to Freedom brilliantly re-creates the drama of the experiences that helped shape Nelson Mandela's destiny. Emotive, compelling and uplifting, Long Walk to Freedom is the exhilarating story of an epic life; a story of hardship, resilience and ultimate triumph told with the clarity and eloquence of a born leader. 'Enthralling . . . Mandela emulates the few great political leaders such as Lincoln and Gandhi, who go beyond mere consensus and move out ahead of their followers'

break new ground' Sunday Times 'The authentic voice of Mandela shines through this book . . . humane, dignified and magnificently unembittered' The Times 'Burns with the luminosity of faith in the invincible nature of human hope and dignity . . . Unforgettable' Andre Brink

Freedom Aug 03 2022 "In the follow-up to ... A Stolen Life, [kidnapping survivor] Jaycee Dugard tells the story of her first experiences after years in captivity: the joys that accompanied her newfound freedom and the challenges of adjusting to life on her own"--Provided by publisher.

Isaiah Berlin and the Politics of Freedom Jul 02 2022 Since his death in 1997, Isaiah Berlin's writings have generated continual interest among scholars and educated readers, especially in regard to his ideas about liberalism, value pluralism, and "positive" and "negative" liberty. Most books on Berlin have examined his general political theory, but this volume uses a contemporary perspective to focus specifically on his ideas about freedom and liberty. *Isaiah Berlin and the Politics of Freedom* brings together an integrated collection of essays by noted and emerging political theorists that commemorate in a critical spirit the recent 50th anniversary of Isaiah Berlin's famous lecture and essay, "Two Concepts of Liberty." The contributors use Berlin's essay as an occasion to rethink the larger politics of freedom from a twenty-first century standpoint, bringing Berlin's ideas into conversation with current political problems and perspectives rooted in postcolonial theory, feminist theory, democratic theory, and critical social theory. The editors begin by surveying the influence of Berlin's essay and the range of debates about freedom that it has inspired. Contributors' chapters then offer various analyses such as competing ways to contextualize Berlin's essay, how to reconsider Berlin's ideas in light of struggles over national self-determination, European colonialism, and racism, and how to view Berlin's controversial distinction between so-called "negative liberty" and "positive liberty." By relating Berlin's

thinking about freedom to competing contemporary views of the politics of freedom, this book will be significant for both scholars of Berlin as well as people who are interested in larger debates about the meaning and conditions of freedom.

5 Years to Freedom May 20 2021 What if you didn't have to work for 35 years in order to retire? This Canadian-based guide will help you retire way earlier than you think possible. Réjean Venne and his wife left the corporate world to retire at the ages of 29 and 28. In this book, they share the strategies that helped them reduce their family expenses to under \$30,000 per year and quit their jobs to become full-time parents. Their common sense approach helped them generate enough passive income to no longer rely on traditional careers, and made them millionaires by the age of 30. This unique account of a Canadian family's journey to early retirement will explore: Why you should retire, especially if you have children; How retirement doesn't have to be thirty or forty years away; How you can rapidly grow your net worth in the hundreds of thousands of dollars to achieve financial independence early; How to generate and manage passive income; How you can live a very happy and fulfilling life with plenty of travelling for less than \$30,000 per year.

turn a blind eye to the horrors of slavery? And can Nat really evade his masters forever?

Slow Escape Feb 14 2021 We cannot choose our parents, but can we choose our destiny? Her faith in God and her love for her children kept Lorie Williams sane while she was held captive by her biological father for twenty-seven years. Her story broke in 1995. Although national talk shows requested interviews with her, she declined.

57 Years Apr 18 2021 Covering the period from the Louisiana Purchase to the signing of the Emancipation Proclamation, 57 Years is the collective story of the people who worked to legally undo the mandates of the “slave laws” through the “freedom suits.” From Jean Marie Scypion to Dred Scott, the book depicts legal battles fought against the rich, powerful, and entrenched. Author Anthony Sestric relays the story of lawyers and judges, their clients, and the people who financed the effort to end slavery and to keep Missouri in the Union. Their campaigns raged from Missouri to Washington, D.C., and were followed by Horace Greely and his New York Times. The cost to some was their lives, while others disappeared, never to be heard from again.

The Fight for Freedom Jun 01 2022 In the summer of 1965, an eighteen-year-old boy, filled with frustration and anger at the injustices of the segregated society in his hometown of Troy, Alabama, volunteers to help Civil Rights workers sent to Alabama by the Southern Christian Leadership Conference as part of a campaign to register black people to vote. A few short months later, he finds himself in Atlanta, standing in the sanctuary of Ebenezer Baptist Church being interviewed by Dr. Martin Luther King Jr. for a position on SCLC's field staff. As a young foot soldier in the Civil Rights Movement, author John Reynolds was an eyewitness to history. In The Fight for Freedom, he shares his experiences in some of the hot spots of that day, such as Selma, Birmingham, and Mississippi. A passionate and dedicated soldier, Reynolds was jailed more than twenty times and beaten

Five Years to Freedom Nov 06 2022 When Green Beret

Lieutenant James N. Rowe was captured in 1963 in Vietnam, his life became more than a matter of staying alive. In a Vietcong POW camp, Rowe endured beri-beri, dysentery, and tropical fungus diseases. He suffered grueling psychological and physical torment. He experienced the loneliness and frustration of watching his friends die. And he struggled every day to maintain faith in himself as a soldier and in his country as it appeared to be turning against him. His survival is testimony to the disciplined human spirit. His story is gripping.

Killing Time Aug 23 2021 In 1984, John Thompson was convicted and sentenced to death for the murder of a white man in New Orleans, Louisiana. He was sent to Angola prison and confined to his cell twenty-three hours a day. However, Thompson adamantly proclaimed his innocence and just needed lawyers who believed that his trial had been mishandled and who would step up to the plate against the powerful DA's office. But who would fight for Thompson's innocence when he didn't have an alibi for the night of the murder and there were two key witnesses to confirm his guilt? *Killing Time* is about the eighteen-year quest for John Thompson's freedom from a wrongful murder conviction. After Philadelphia lawyers Michael Banks and Gordon Cooney

his case, they struggle to find areas of misconduct in his previous trials while grappling with their questions about Thompson's innocence. John Hollway and Ronald M. Gauthier have interviewed Thompson and the lawyers regarding the case and paint a realistic and compelling portrait of life on death row and the corruption in the Louisiana police and DA's office. When it is found that evidence was mishandled in a previous trial that led to his death sentence in the murder case, Thompson is finally on his road to freedom—a journey that continues to this day. Complete with an updated afterword describing Thompson's 2011 civil suit against Harry Connick Sr. and the New Orleans DA's office and the Supreme Court's shocking verdict.

The Road to Freedom May 08 2020 Entrepreneurship, personal responsibility, and upward mobility: These traditions are at the heart of the free enterprise system, and have long been central to America's exceptional culture. In recent years, however, policymakers have dramatically weakened these traditions -- by exploding the size of government, propping up their corporate cronies, and trying to reorient our system from rewarding merit to redistributing wealth. In *The Road to Freedom*, American Enterprise Institute President Arthur C. Brooks shows that this trend cannot be reversed through materialistic appeals about the economic efficiency of capitalism. Rather, free enterprise requires

a moral defense rooted in the ideals of earned success, equality of opportunity, charity, and basic fairness. Brooks builds this defense and demonstrates how it is central to understanding the major policy issues facing America today. The future of the free enterprise system has become a central issue in our national debate, and Brooks offers a practical manual for defending it over the coming years. Both a moral manifesto and a prescription for concrete policy changes, *The Road to Freedom* will help Americans in all walks of life translate the philosophy of free enterprise into action, to restore both our nation's greatness and our own well-being in the process.

That Year at Manikoil (Series: Songs of Freedom) Aug 11 2020
Madras, 1944 While World War II rages in Europe and the Japanese army draws closer to India, Raji and her sisters are sent off with their mother to stay in Manikoil, her mother's family village. But with her brother now a soldier in the British Indian Army and refugees fleeing from Malaya, Burma and other eastern countries back to India, Manikoil is no longer the peaceful haven it once was. And while there is hope of Independence in the air, Raji is uncertain whether it will come to pass-and what it will truly mean for her and her family. The Songs of Freedom series explores the lives of children across India during the struggle for independence.

old struggle. Part history and part manifesto, *Freedom to Think* explores how the powerful have always sought to influence how we think and what we buy. Connecting the dots from Galileo to Alexa, human rights lawyer Susie Alegre charts the history and fragility of our most important human right: freedom of thought. Filled with shocking case-studies across politics, criminal justice, and everyday life, this ground-breaking book shows how our mental freedom is under threat like never before. Bold and radical, Alegre argues that only by recasting our human rights for the digital age can we safeguard our future.

The Freedom Cards Jun 20 2021 This remarkable collection begins to define the challenging and fragile concept of freedom from people around the world. With significant challenges, like being chased by police, being tear-gassed, and traveling over 12,000 miles in a single summer, Alex Robson has fought to include voices from every corner of the United States and the world in the collection. The Freedom Cards now boasts one of the most complete, expansive, and diverse collections of thoughts on a single subject. Compiled for the first time, see the cards and the journey behind the collection 15 years in the making.

slave narrative, Francis Bok shares his remarkable story with grace, honesty, and a wisdom gained from surviving ten years in captivity. May, 1986: Selling his mother's eggs and peanuts near his village in southern Sudan, seven year old Francis Bok's life was shattered when Arab raiders on horseback, armed with rifles and long knives, burst into the quiet marketplace, murdering men and women and gathering the young children into a group. Strapped to horses and donkeys, Francis and others were taken north, into lives of slavery under wealthy Muslim farmers. For ten years, Francis lived alone in a shed near the goats and cattle that were his responsibility. Fed with scraps from the table, slowly learning bits of an unfamiliar language and religion, the boy had almost no human contact other than his captor's family. After two failed attempts to escape-each bringing severe beatings and death threats-Francis finally escaped at age seventeen, a dramatic breakaway on foot that was his final chance. Yet his slavery did not end there, for even as he made his way toward the capital city of Khartoum, others sought to deprive him of his freedom. Determined to avoid that fate and discover what had happened to his family on that terrible day in 1986, the teenager persevered through prison and refugee camps for three more years, winning the attention of United Nations officials and being granted passage to America. Now a student and an anti-slavery activist, Francis Bok has made it his life mission to combat world slavery. His is the first voice to speak for an estimated twenty seven million people held against their will in nearly every nation, including our own. Escape from Slavery is at once a riveting adventure, a story of desperation and triumph, and a window revealing a world that few have survived to tell.

10 Years of Freedom Sep 04 2022 In late October 2006, one of the most spectacular kidnapping cases of the younger past had come to end, when Natascha Kampusch freed herself after being held captive in a hidden cellar (near Vienna, Austria) for more than eight years. Media companies from all over the world

to cover her life story, which has taken quite some twists since then. The result: two autobiographies, a feature film, several documentaries and hundreds of interviews - all within a decade. "10 Years of Freedom" offers us an insight into the impact such a nightmarish captivity has on a young woman's life. It tells the story of a naive victim, that had to learn to cope with the real world after being locked away for her whole youth. The author spans a wide range of themes from her first days in freedom and the turbulent times after gaining it again to a never-ending trauma, which she will have to deal with for the rest of her life. Natascha declares that she wasn't prepared to be a public figure after all, but was suddenly confronted with a heavy and controversial media coverage (including speculations by reporters regarding Stockholm syndrome and roleplaying, along with being labelled "cellar girl" and "sex slave"). Also, wild conspiracy theories gained popularity, resulting in several trials and review boards (including police and FBI investigations). Despite everything, she found certain ways to reconnect with her family and even founded/initiated several charity projects (e.g. the creation of a children's ward in Sri Lanka or the support of PETA, an organisation for animal rights). "Your book is remarkable. 10 Years of Freedom, I urge everyone to read it." - Piers Morgan, ITV "It's a very powerful read." - Huw Edwards, BBC "Very brave." - Emma Barnett, BBC

Long March to Freedom Mar 18 2021 Running late for work one morning in September 1994, Tom Hargrove, communications director for an international agricultural aid organization in Cali, Colombia, was mildly annoyed when he spotted a roadblock, or reten, manned by soldiers in fatigues. He chafed at the delay, but told himself that guerrillas and kidnappers didn't operate on a main highway in broad daylight. But Hargrove had been dreadfully mistaken. Despite his assertions that he worked for a non-profit agricultural agency, he was forced at gunpoint into a vehicle and driven into the mountains by communist nar

terrorists who believed he was a valuable hostage. For almost a year, Hargrove was held by the guerillas and moved from one remote location to another. To maintain his grip on sanity, he recorded his daily experiences in makeshift journals: in a checkbook; on children's notebooks; and on scraps of paper scrounged during his ordeal. Hargrove's story, originally published in 1995, was the basis for the major motion picture *Proof of Life*, starring Russell Crowe and Meg Ryan. Now available again in paperback, *Long March to Freedom* chronicles one man's spirited determination to hang onto life and faith amid nearly impossible circumstances.

Freedom Jan 04 2020 A profound rumination on the concept of freedom from the bestselling author of *The Perfect Storm*

A Thousand Miles to Freedom Jan 16 2021 Eunsun Kim was born in North Korea, one of the most secretive and oppressive countries in the modern world. As a child Eunsun loved her country...despite her school field trips to public executions, daily self-criticism sessions, and the increasing gnaw of hunger as the country-wide famine escalated. By the time she was eleven years old, Eunsun's father and grandparents had died of starvation, and Eunsun was in danger of the same. Finally, her mother decided to escape North Korea with Eunsun and her sister, not knowing that they were embarking on a journey that would take them nine long years to complete. Before finally reaching South Korea and freedom, Eunsun and her family would live homeless, fall into the hands of Chinese human traffickers, survive a North Korean labor camp, and cross the deserts of Mongolia on foot. Now, Eunsun is sharing her remarkable story to give voice to the tens of millions of North Koreans still suffering in silence. Told with grace and courage, her memoir is a riveting exposé of North Korea.
