The School for Good and Evil May 01 2022 Every four years, two girls are kidnapped from the village of Gavaldon. Legend has it these lost children are sent to the School for Good and Evil, the fabled institution where they become fairytale heroes or villains. Sophie, the most beautiful girl in town, has always dreamed of her place at the School for Good while her friend Agatha, with her dark disposition seems destined for the School for Evil. But when the two are kidnapped they find their fortunes reversed.

Forces for Good Jul 03 2022 Do you want your business to step up and make a meaningful difference? There's a new generation of businesses emerging. They're working together to make a positive impact on the world by redefining what it means to be successful. By changing the way you work and considering the impact of the decisions you make, you can join them in reducing poverty, injustice and environmental damage by balancing purpose with profit. In this ground-breaking book, you will discover how these purpose-driven businesses work and how you can: Increase productivity by fully embracing diversity and developing an inclusive culture. Put respect, courtesy and compassion at the heart of your business. Maximise profits whilst prioritising the needs of people and the planet. Attract an engaged and motivated workforce that's focused on success and sustainability. Join the growing global community of leaders and like-minded businesses that are putting what they do to work as a force for good.

Changing for Good Sep 05 2022 This groundbreaking book offers simple self-assessments, informative case histories, and concrete examples to help clarify each stage and process. Whether your goal is to start saving money, to stop drinking, or to end other self-defeating or addictive behaviors, this revolutionary program will help you implement positive personal change . . . for life. How many times have you thought about starting a diet or quitting smoking without

doing anything about it? Or lapsed back into bad habits after hitting a rough spot on the road to recovery? To uncover the secret to successful personal change, three acclaimed psychologists studied more than 1,000 people who were able to positively and permanently alter their lives without psychotherapy. They discovered that change does not depend on luck or willpower. It is a process that can be successfully managed by anyone who understands how it works. Once you determine which stage of change you're in, you can: create a climate where positive change can occur maintain motivation turn setbacks into progress make your new beneficial habits a permanent part of your life The National Cancer Institute Found this program more than twice as effective as standard programs in helping smokers quit for 18 months.

Change for Good Aug 04 2022 It draws the latest thinking in behavioural economics, neuroscience and evolutionary psychology to give a powerful practical toolkit for fundraisers, campaigners, advocacy specialists...

The Search for Good Wine Jun 02 2022 The Search for Good Wine is a highly entertaining and informative book on all aspects of wine and its consumption by nationally-syndicated wine columnist John Hailman, author of the critically-acclaimed Thomas Jefferson on Wine (2006). Hailman explores the wine-drinking experiences and tastes of famous wine-lovers from jolly Ben Franklin and the surprisingly enthusiastic George Washington to Julius Caesar, Sherlock Holmes, and Ernest Hemingway among numerous other famous figures. Hailman also recounts in fascinating detail the exotic life of the founder of the California wine industry, Hungarian Agoston Haraszthy, who introduced Zinfandel to the U.S. Hailman gives calm and reliable guidance on how to deal with snobby wine waiters and how to choose the best wine books and travel guides. He simplifies the ABCs of wine-grape types from the delicate pinot noirs of Oregon to the robust malbecs of Argentina and from the vibrant new whites of Spain to the great reds (old and new) of Italy. The entire book is dedicated to finding values in wine. As Hailman says, "Everyone always wants to know one basic thing: How can you get the best possible wine for the lowest possible price?" His new book is highly practical and effective in answering that eternal question and many more about wine. A judge at the top international wine competitions for over thirty years, Hailman examines those experiences and the value of "blind" tastings. He gives insightful tips on how to select a good wine store, how to decipher wine labels and wine lists, and even how to extract unruly champagne corks without crippling yourself or others. Hailman simplifies wine jargon and effectively demystifies the culture of wine fascination, restoring the consumption of wine to the natural pleasure it really should be.

For Your Own Good Aug 12 2020 THE GRIPPING NEW PSYCHOLOGICAL THRILLER FROM THE RICHARD & JUDY BESTSELLING AUTHOR OF MY LOVELY WIFE 'Irresistibly dark' T.M. LOGAN 'Gripping and twisted' 5***** READER REVIEW 'Dark, sly and delicious' J.P. DELANEY 'Intoxicating' 5***** READER REVIEW 'Totally the real deal' SARAH PINBOROUGH _____ At Belmont Academy, excellence comes at a cost . . . The teachers demand too much from their students. The students are devious and unpredictable. The parents will do anything to get their children ahead. And when a parent dies in suspicious circumstances, it's clear that someone at Belmont is a murderer. But how do you uncover a killer when anyone could be a suspect? _____ 'Brilliant' Daily Mail 'Absolutely terrific' Sarah Pekkanen 'Wonderfully dark and twisty. Gripping, dark, incisive and sharply observed from start to finish' 5***** Reader Review 'A thriller with dark humour at its heart' 5***** Reader Review

The Little Book of Body Confidence Dec 16 2020 Is feeling uncomfortable with your body the norm for you? Do you find it difficult to be positive about your body? Do you stop yourself exercising, dating, wearing a bikini, or being intimate because you don't think your body is 'good enough'? If so, it's time to kick the body hate habit and start living the life you truly deserve. In this guide, Body Image Coach Judi Craddock explains why the latest diet, exercise regime or beauty treatment isn't the key to better body confidence. Instead, The Little Book of Body Confidence will show you how to challenge and reset the unhelpful belief that

your body 'doesn't measure up'. In 52 short chapters, Judi shares simple yet effective tools to help you create a new perspective on your body and life. By implementing the strategies in this book, you'll discover a new found appreciation for your body, and recognise that your worth is not dependent on a number on a scale or a dress size. Please note: the information in this book is not a substitute for professional medical or therapeutic advice, diagnosis or treatment. If you are suffering from Body Dysmorphic Disorder or an eating related illness, please seek the appropriate professional support.

The School for Good and Evil Collection Nov 14 2020 Can Agatha and Sophie find the perfect ending to their story in this epic conclusion to this bestselling series. Once best friends, Agatha and Sophie were pulled apart like strangers, each in the arms of a boy, Good with Good, Evil with Evil... is their friendship lost forever after... But as they settle into their new lives, their story begs to be re-written, and this time, theirs isn't the only one. With the girls apart, Evil has taken over and the villains of the past have come back to change their tales and turn the world of Good and Evil upside down. With Evers being murdered and Nevers reigning supreme, the girls need to restore the balance, find the end to their story, and—hopefully—become friends again

For The Good Times Feb 15 2021 Sammy and his three friends are country boys from Armagh, the disputed borderlands of a country cannibalising itself. They love sharp clothes, a drink, and a night on the town singing Perry Como's classics. Their dream is a Free State, and their methods for achieving this are uncompromising. Heading for Belfast - ground zero of the Troubles - they find themselves in the incongruous position of running a comic book shop by day. Their clandestine activities belong in the x-rated pages of graphic fiction: burglary, blackmail, extortion, torture, and murder. No criminal act is too taboo for these boys. But when punk rock arrives and the hard edge of the decade starts to reveal its true paranoid colours, Sammy finds himself increasingly isolated. Camaraderie and loyalty is the fuel of a terrorist cell. When those virtues prove faulty, the game is up - and Sammy's world starts to radically shrink. For the Good Times shouts and sings with visionary intensity and gallows humour. It is not just a book about the IRA, but an exploration of what it means to 'go rogue', and the heartbreak and devastation that commitment to 'the cause' can engender. It unpacks any dewy-eyed romance associated with the Troubles, and establishes David Keenan as one of our generation's most fearless and entertaining literary stylists.

Good Economics for Hard Times Jun 09 2020 FROM THE WINNERS OF THE 2019 NOBEL PRIZE IN ECONOMICS 'Wonderfully refreshing . . . A must read' Thomas Piketty In this revolutionary book, prize-winning economists Abhijit V. Banerjee and Esther Duflo show how economics, when done right, can help us solve the thorniest social and political problems of our day. From immigration to inequality, slowing growth to accelerating climate change, we have the resources to address the challenges we face but we are so often blinded by ideology. Original, provocative and urgent, Good Economics for Hard Times offers the new thinking that we need. It builds on cutting-edge research in economics - and years of exploring the most effective solutions to alleviate extreme poverty - to make a persuasive case for an intelligent interventionism and a society built on compassion and respect. A much-needed antidote to polarized discourse, this book shines a light to help us appreciate and understand our precariously balanced world.

Alexander and the Terrible, Horrible, No Good, Very Bad Day Jul 23 2021 On a day when everything goes wrong for him, Alexander is consoled by the thought that other people have bad days too.

How to Quit Drugs for Good Oct 26 2021 Free Yourself from Addiction Quitting drugs may be the best thing you can do for yourself and your loved ones. But it can also be the toughest challenge of your life. This book can help. Jerry Dorsman, author of the acclaimed How to Quit Drinking Without AA and a respected therapist who specializes in addiction recovery, has helped thousands of people quit drugs and get on with their lives. In How to Quit Drugs for Good, Dorsman helps you find the best approach to beating any drug habit—from barbiturates and prescription drugs to marijuana, cocaine, and heroin. Through a series of self-discovery exercises, worksheets, and checklists, you will learn how to:

- Determine if you have a drug problem
- Examine your individual reasons for using drugs
- Decide when and how you want to quit
- Develop your own treatment plan
- Choose the techniques that will work for you
- Create your own success
- And much, much more!

Making Globalisation a Force for Good Mar 07 2020 Globalisation refers to the process of growing interdependence between the economies and businesses of different countries, with the ever increasing movement across national boundaries of goods, services, investment finance and jobs. This White Paper considers

the Government's policy approach towards international trade and investment, based upon its commitment to sustainable development and in the context of an enlarged EU. It addresses the implications of globalisation both nationally and internationally, and sets out the Government's vision of a world trading system which is fair as well as free for all. It contains three sections which focus on: i) the internationalisation of business, markets and production, EU developments, and the experience of developing countries; ii) how to ensure the UK economy benefits from globalisation; and iii) the role of trade and investment in global poverty reduction, including the Doha Development Agenda, market liberalisation in developing countries, international regulation, agricultural trade and development, environmental protection and labour standards, promoting corporate social responsibility, and improving the functioning of the World Trade Organization.

It's Not How Good You Are, It's How Good You Want to Be Apr 07 2020 " It's Not How Good You Are, It's How Good You Want to Be is a handbook of how to succeed in the world: a pocket bible for the talented and timid alike to help make the unthinkable thinkable and the impossible possible. The world's top advertising guru, Paul Arden, offers up his wisdom on issues as diverse as problem solving, responding to a brief, communicating, playing your cards right, making mistakes, and creativity – all endeavors that can be applied to aspects of modern life. This uplifting and humorous little book provides a unique insight into the world of advertising and is a quirky compilation of quotes, facts, pictures, wit and wisdom – all packed into easy-to-digest, bite-sized spreads. If you want to succeed in life or business, this book is a must. "

The Cure for Good Intentions Jun 21 2021 'When I was twenty-eight I trained as a doctor. Initially everyone was interested. Amazing! people said, when I told them. What made you do that? I couldn't find a short answer. Sometimes I said, "I had a revelation on a beach." It was partly true' The Cure for Good Intentions is about a life-changing decision. Sophie gave up her job as an editor at a prestigious literary magazine and put herself through medical school and hospital training before eventually becoming a GP. From peaceful office days spent writing tactful comments on manuscripts she entered a world that spoke an entirely different language. She was now inside scenes familiar from television and books - long corridors, busy wards, stern consultants, anxious patients - but what was her part in it all? Back in the community as a brand-new GP, the same question grew ever more pressing. This is a book about how a doctor is made: it asks what a doctor does, and what a doctor is. What signifies a doctor: a caring-yet-brisk bedside manner? A mode of dress? A stethoscope? A firm way with a prescription pad? What is empathy, and what does it achieve? How do we deal with pain, our own and other people's? The Cure is an outsider's look at the inside of a profession that has never been so scrutinised, or so misunderstood.

Building a Kingdom for Good In Our World Today: The Long Bow Horse Man Enterprise Oct 02 2019

The Good Book Mar 19 2021 Designed to be read as narrative and also to be dipped into for inspiration, encouragement and consolation, The Good Book offers a thoughtful, non-religious alternative to the many people who do not follow one of the world's great religions. Instead, going back to traditions older than Christianity, and far richer and more various, including the non-theistic philosophical and literary schools of the great civilisations of both West and East, from the Greek philosophy of classical antiquity and its contemporaneous Confucian, Mencian and Mohist schools in China, down through classical Rome, the flourishing of Indian and Arab worlds, the European Renaissance and Enlightenment, the worldwide scientific discoveries of the 19th and 20th centuries to the present, Grayling collects, edits, rearranges and organises the collective secular wisdom of the world in one highly readable volume. Contents: Genesis Proverbs Histories Songs Wisdom Acts The Lawgiver Lamentations Concord Consolations Sages The Good Parables

Changed for Good Nov 07 2022 From Maria in "West Side Story" to Tracy Turnblatt in "Hairspray" and Elphaba in "Wicked," female characters in Broadway musicals have belted and crooned their way into the American psyche. In this lively book, Stacy Wolf illuminates the women of American musical theater—performers, creators, and characters—from the start of the cold war to the present day, creating a new, feminist history of the genre, which finds often overlooked moments of empowerment for female audience members. Moving from decade to decade, Wolf first highlights the assumptions that circulated about gender and sexuality at the time, and then looks at the leading musicals, stressing the key aspects of the plays as they relate to women. The musicals discussed here are among the most beloved in the canon—"West Side Story," "Guys & Dolls," "Cabaret," "Phantom of the Opera," and many others—with special

emphasis on the blockbuster "Wicked." Along the way, Wolf demonstrates how the musical since the mid-1940s has actually been dominated by women—women onstage, women in the wings, and women offstage as spectators and fans.

Change for Good Aug 24 2021 Written by a leader with 35 years experience, Change for Good explores businesses' new bottom line: helping to solve social problems. Featuring personal experiences and practical tools that will help businesses, their employees, and the public to take action and make change.

Invest for Good Jan 29 2022 Investing for Good is a captivating and instructive read, aimed at those who are interested in investing their money profitably while doing good at the same time. Investors are placing increased emphasis on capital allocation methods to achieve their desired social, environmental and financial objectives, and are targeting investments that not only facilitate economic growth in countries around the world but also do good in terms of aiding human development--from cleaner environments to safer products and better employment practices. At the same time, there is considerable evidence that if companies adhere to ESG (Environment, Social, Governance) standards, they will outperform companies who do not. But how do individuals--rather than institutional investors--invest using ESG criteria? And just how complex are the procedures? This new book, written by investment guru Mark Mobius and his expert team, is full of entertaining and informative anecdotes from the authors' day-to-day experiences in the world of sustainable investment. Readers will gain a clearer understanding of what sustainable investment actually means, the positive effects it can have on businesses and societies, what to look for in order to identify sound and sustainable investment opportunities, and how to balance sustainable investing with good returns.

Good to Great Sep 24 2021 Can a good company become a great one and, if so, how?After a five-year research project, Collins concludes that good to great can and does happen. In this book, he uncovers the underlying variables that enable any type of organization to

A Force for Good Oct 14 2020 For decades, the Dalai Lama has travelled the world, meeting with people from a wealth of countries who differ greatly in their background, social status and viewpoint, bringing them his own individual wisdom and compassion. In his encounters with everyone from the inhabitants of shantytowns in São Paulo and Soweto to heads of state in Davos and Washington D.C., the Dalai Lama saw similar problems: a set of values that have helped the very rich to advance beyond the multitudinous poor, a disregard for the environment that could lead to global catastrophe and governments in paralysis, bereft of positive, progressive policies of any sort. Now, as he turns eighty, having built up a profound knowledge of the world we live in today, as well as a penetrating grasp of its scientific context, the Dalai Lama gives us his vision for a better future. Challenging what he sees as a general mixture of cynicism and self-interest, he offers a radically different perspective and a vision that can be assimilated by people around the globe. From cultivating early on a capacity for caring that transcends religious, ideological and national boundaries, to creating an economic system that applies principals of fairness and which values fulfilment, his argument focuses on what is urgent and why it should matter to each of us. In his unique manifesto, the Dalai Lama presents perspective on the world that can bring hope to millions, that will endure beyond the present day and that has the potential to reshape humanity as we know it.

Good News Feb 27 2022 *A positive, reassuring and anxiety-eliminating book helping children change the way they think about the world* Pandemics, war, terror, natural disasters - the world seems to be full of bad news and it can all feel, well, a little bit scary. But this is just part of the story. There are in fact tons of great things happening, from robots improving health care and trees healing the planet, to everyday people helping their community with acts of kindness and the businesses fighting for good in the world. In Good News, children will learn to become fake news detectives, sussing out what's real and what isn't. They'll discover the good news - the amazing anecdotes, case studies and figures around the globe that are making a difference. And they'll learn that if we all continue to work together, things can only keep getting better and better. Empowering, reassuring and confidence-boosting, this book is a positive antidote for testing times.

Design for Good Mar 31 2022 The book reveals a new understanding of the ways that design shapes our lives and gives professionals and interested citizens the tools to seek out and demand designs that dignify.

Start your education now...

Remembered for Good Dec 28 2021 This is the first monograph devoted to the system of community benefaction practised by Jews in Palestine from the second century BCE to the sixth century CE. Principal is the evidence from synagogue inscriptions erected to patrons and donors from the second century CE onwards. All these inscriptions are reviewed, together with a re-examination of how they are to be translated. Sorek is especially interested in the motivation for benefactions, and concludes that the Jewish system attested in the inscriptions is specific to the Jewish community. It was not merely a copy of the well-known Graeco-Roman system of euergetism, in which rich citizens contributed from their wealth to public expenses. But neither was the Jewish system properly an expression of charity, as has often been thought. Sorek argues that the benefaction system is best understood as an expression of hesed, the meaning of which she explores in detail.

The School for Good and Evil: The Ever Never Handbook Nov 26 2021 THE SCHOOL FOR GOOD AND EVIL will soon be a major motion picture from Netflix—starring Academy Award winner Charlize Theron, Kerry Washington, Laurence Fishburne, Michelle Yeoh, Sofia Wylie, Sophie Anne Caruso, Jamie Flatters, Earl Cave, Kit Young, and more! When She Was Good Jan 05 2020 From the bestselling author of Good Girl, Bad Girl and When You Are Mine comes a gripping thriller featuring the brilliant forensic psychologist Cyrus Haven as he becomes embroiled in an explosive murder case with disturbing origins. Criminal psychologist Cyrus Haven and Evie Cormac return in this “powerhouse of a novel” (Booklist, starred review) from internationally bestselling author Michael Robotham, a writer Stephen King calls “an absolute master...with heart and soul.” Who is Evie, the girl with no past, running from? She was discovered hiding in a secret room in the aftermath of a terrible crime. Her ability to tell when someone is lying helped Cyrus crack an impenetrable case in Good Girl, Bad Girl. Now, the closer Cyrus gets to uncovering answers about Evie's dark history, the more he exposes Evie to danger, giving her no choice but to run. Ultimately, both will have to decide if some secrets are better left buried and some monsters should never be named...

Good Girl, Bad Girl Sep 12 2020 A girl is found hiding in a secret room in a house being renovated after a terrible crime. For weeks she has survived by sneaking out at night, stealing food for herself and two dogs that are kept in the garden. She doesn't appear on any missing person's file, or match the DNA of any murder victim. Six years later, still unidentified, the same girl is living in a secure children's home with a new name, Evie Cormac, when she initiates a court case demanding the right to be released as an adult. Psychologist Cyrus Haven is sent to interview Evie and decide if she's ready to go free, but Evie Cormac is unlike he's anyone he's ever met. She's damaged, destructive, and self-hating, yet possessed of a gift, or a curse, that makes her both fascinating and dangerous to be with -- the ability to tell when someone is lying. Soon he is embroiled in her unique and dangerous world, his life in utmost peril.

The Little Book of Happiness Jul 11 2020 What is happiness? What can we do to be happier? Why does happiness matter? In this beautifully illustrated little

book, leading Positive Psychologist Miriam Akhtar introduces us to the key ingredients of a well-lived and fulfilling life. Drawing on her expert knowledge of the Science of Happiness, the author shares 12 evidence-based Happiness Habits and the key practices that will help us obtain and sustain happiness in our daily lives - such as connecting with others, feeling gratitude, spending time in nature, being mindful, savouring the moment and practising positive emotion. Bursting with practical, accessible tools and easy-to-follow exercises, this little book offers readers invaluable advice on how to create the best conditions for a happy life, well lived.

Economics for the Common Good Apr 19 2021 "When Jean Tirole won the 2014 Nobel Prize in Economics, he suddenly found himself being stopped in the street by complete strangers and asked to comment on issues of the day, no matter how distant from his own areas of research. His transformation from academic economist to public intellectual prompted him to reflect further on the role economists and their discipline play in society. The result is *Economics for the Common Good*, a passionate manifesto for a world in which economics, far from being a 'dismal science,' is a positive force for the common good. Economists are rewarded for writing technical papers in scholarly journals, not joining in public debates. But Tirole says we urgently need economists to engage with the many challenges facing society, helping to identify our key objectives and the tools needed to meet them. To show how economics can help us realize the common good, Tirole shares his insights on a broad array of questions affecting our everyday lives and the future of our society, including global warming, unemployment, the post-2008 global financial order, the euro crisis, the digital revolution, innovation, and the proper balance between the free market and regulation. Providing a rich account of how economics can benefit everyone, *Economics for the Common Good* sets a new agenda for the role of economics in society"--Provided by publisher.

Good Night Grandma Jan 17 2021 *Good Night Grandma* features sleepovers, baking cookies, going to the playground, trips to the toy store, reading stories, playing games, going for walks in the park, learning how to sew, feeding ducks, going out for ice cream, working in the garden, going to the beach, and more. Oh the joys of spending time with one of the most cherished members of the family. Young readers will quickly recognize all of the beloved activities they do with Grandma. This book is part of the bestselling *Good Night Our World* series, which includes hundreds of titles exploring iconic locations and exciting themes.

Buried For Good May 09 2020 On a remote island, everyone is a suspect... When Private Investigator Hanlon is hired to protect famous yoga instructor Camille Anderson on her Scottish island retreat, she thinks this may be her simplest job yet. But when an attack on Camille's life goes wrong, it soon becomes clear that there is a murderer on the island - and Hanlon will stop at nothing to track them down. With only a small group of guests the suspects are clear, but as the body count rises Hanlon must step up to find out who the killer is before it's too late... A tense, atmospheric page-turner from Alex Coombs. Perfect for fans of Angela Marsons and Lisa Regan.

E-Government for Good Governance in Developing Countries Aug 31 2019 Drawing lessons from the eFoz Project in Morocco, this volume offers practical supporting material to decision makers in developing countries on information and communication technologies for development (ICT4D), specifically e-government implementation. The book documents the eFoz Project experience in all of its aspects, presenting the project's findings and the practical methods developed by the authors (a roadmap, impact assessment framework, design issues, lessons learned and best practices) in their systematic quest to turn eFoz's indigenous experimentations and findings into a formal framework for academics, practitioners and decision makers. The volume also reviews, analyzes and synthesizes the findings of other projects to offer a comparative study of the eFoz framework and a number of other e-government frameworks from the growing literature.

Waiting for Good News Jun 29 2019 Support and wisdom when serious illness strikes Sally Wilke gets it. She has lived with and through the serious chronic illness of someone she cared deeply about. And she has provided pastoral care to individuals and families in similar situations. *Waiting for Good News* captures her hard-won, helpful, and hope-filled wisdom. Wilke organizes this book around seven questions that those who face serious illness often ask. From "What Is the Diagnosis" to "Where Do I Find More Help?" she accompanies readers on their own journey. The heart of the book is the stories--Wilke's own, those of

others who have struggled with severe illness, and accounts from the Bible. Here, readers will find strength, support, and a way forward in a difficult situation. As practical as she is wise, Wilke offers tools, tips, ideas, and resources for reflection and for obtaining additional support. Chapters conclude with questions that may be used for personal reflection and discussion with family members, patients, and support groups. Clergy, other pastoral-care providers, and family and friends of those who struggle with serious illness will find examples and helpful practices to guide their efforts as they partner with those seeking to find their way.

ACTION MANIFESTO OF A MADMAN FOR GOOD Feb 04 2020 What will emerge when we are all thankful for what we have instead of upset about what we don't is a society that works and does what's best for all its inhabitants. Injustice, racism, evil and all bad energy will become so insignificant, that we will laugh at what a distant memory it was. We have the power. We have always had the power. We must open our eyes, minds and our hearts and get to work. Like the old saying that goes, "doing what we love is like being on vacation everyday," when we start bringing humanity, accountability and truth to ourselves so all of us achieve our dreams, it will be like second nature. We will wonder how we ever got along before.

The Duty of Doing Good. A Sermon Preached ... the 14th of June, 1752, Etc Jul 31 2019

Learn You Some Erlang for Great Good! Nov 02 2019 Erlang is the language of choice for programmers who want to write robust, concurrent applications, but its strange syntax and functional design can intimidate the uninitiated. Luckily, there's a new weapon in the battle against Erlang-phobia: Learn You Some Erlang for Great Good! Erlang maestro Fred Hébert starts slow and eases you into the basics: You'll learn about Erlang's unorthodox syntax, its data structures, its type system (or lack thereof!), and basic functional programming techniques. Once you've wrapped your head around the simple stuff, you'll tackle the real meat-and-potatoes of the language: concurrency, distributed computing, hot code loading, and all the other dark magic that makes Erlang such a hot topic among today's savvy developers. As you dive into Erlang's functional fantasy world, you'll learn about: –Testing your applications with EUnit and Common Test –Building and releasing your applications with the OTP framework –Passing messages, raising errors, and starting/stopping processes over many nodes –Storing and retrieving data using Mnesia and ETS –Network programming with TCP, UDP, and the inet module –The simple joys and potential pitfalls of writing distributed, concurrent applications Packed with lighthearted illustrations and just the right mix of offbeat and practical example programs, Learn You Some Erlang for Great Good! is the perfect entry point into the sometimes-crazy, always-thrilling world of Erlang.
