<http://www.cdxauto.com/ContactUs> to access a list of international CDX

Automotive Account Managers. Engine Performance Tasksheet Manual for NATEF Proficiency is designed to guide automotive students through the tasks necessary to meet National Automotive Technicians Education Foundation (NATEF)

requirements for National Institute for Automotive Service Excellence (ASE)

Standard 8: Engine Performance. Organized by ASE topic area, companion tasks

are grouped together for more efficient completion, and are clearly labeled with

CDX and NATEF task numbers and the NATEF priority level to help students easily manage responsibilities. This manual will assist students in demonstrating hands-

on performance of the skills necessary for initial training in the automotive

specialty area of engine performance. It can also serve as a personal portfolio of

documented experience for prospective employment. Used in conjunction with

CDX Automotive, students will demonstrate proficiency in engine performance

fundamentals, diagnosis, service, and repair.
