Maggie Moves On Jul 30 2019 Can these opposites turn up the heat... without burning down the house? House-flipping sensation and YouTube star Maggie Nichols can't wait to dig into her next challenge. Arriving in tiny Kinship, Idaho, with only a cot and a coffeemaker, Maggie is prepared to restore a crumbling Victorian mansion in four months or less. She has her to-do lists, her blueprints, and her team. What she doesn't have is time for sexy, laid-back landscaper Silas Wright. The man takes flirtation to a whole new level. And he does it shirtless...sometimes pants-less. He and his service school-dropout dog are impressively persistent. But she's not interested in putting down roots. Not when fans tune in to watch her travel the country turning dilapidated houses into dream homes. A short-term fling on the other hand could fit nicely into her calendar. After all, Maggie remembers what fun is like. Vaguely. As their summer gets downright

steamy, Silas manages to demolish the emotional walls she's spent years building, sending Maggie into a panic. He's the wrench in her carefully constructed plans. With the end of the project looming, she has a decision to make. But how can she stay when her entire career is built on moving on?

Your Tempting Love Apr 18 2021 The best part about being Christopher Bennett is that no one ever really says no to me. I'm persuasive. I'm witty. And boy, do I know how to turn on the charm. If only I could turn my family's attempts at persuasion off. Their meddling is out of control. No one asked them to matchmake. Certainly not me. And certainly not with an interior decorator raising her younger siblings. Then Victoria Hensley turns out to be more than just a decorator. Her laughter is contagious. Her beautiful lips and curves are beyond tempting. Sparks are flying between us, to my dismay and my family's delight. Next thing I know, I'm training her brother in soccer and

reading bedtime stories to her sister. Who am I? Turns out I can't say no to Victoria. And I refuse to let her say no to me. I know I'm a client, that I'm technically off-limits. But doesn't that make it all the more exciting? I'm determined to see this thing through to the end. And I won't settle for anything less than a happily-ever-after.

Except when it comes to love, of course. One big family. Three sizzling romances. Warning! You won't be able to put down this boxed set until you've finished it! These fierce heroes will have you laughing out loud and fanning yourself... **Your Irresistible Love** My new client is trouble. From the moment I step into his office, he makes it clear that he wants me. I am the marketing consultant for his jewelry empire. My job is to

make the next collection launch a success. Daydreaming about the hot CEO is definitely not on my to-do list. Neither is doing said CEO. The consultancy I work for has a strict policy—no fraternizing with clients. He doesn't care that it's against the rules. He seduces me... He breaks down all my defenses... Until I'm ready to break all the rules for him, and I discover that it's all more fun if it's forbidden. But what happens when we get caught? Your Captivating Love I'm finally pursuing my dream: opening my own clothing shop. After working so hard to get here, I need to concentrate on my new business, and can't afford distractions. Not even if they come in the form of Logan Bennett. He's handsome, charming, and doesn't take no for an answer... And I didn't know that bossy, determined men were my thing until he kisses me, making me want to risk everything for him. Your Forever Love I know I should stay away from Eric Callahan. If my messy divorce is any indication, I'd be better off forgetting that men exist. But Eric is impossible to ignore. He has a body made for sin and a sense of humor that matches mine. And seeing how adorable is with his daughter melting my walls (and panties). But how can I let him in, especially when he's leaving town so soon? He's cold, rude and undeniably arrogant. That's how Andrew Blake's best friends describe him. I'm his new assistant. Nothing I do is good enough. The more I try and please him, the more he ignores me. I'm beginning to wonder if there's a heart in that tall, hard, gorgeous body of his. After work I'm complaining about him to my new best friend—the bartender at the pub near the office. Guess who's seated behind me and has heard every gripe, grumble and grievance? By the look in Andrew's eye, I can't tell if I'm going to get fired or kissed. A stand alone romance. It's hard to be Nate Becker in a Bennett world. But we've always considered ourselves family. I travel the world as a TV producer, never able to spend much time with them. Which might be a good thing. Because my best friend's little sister has never felt like that to me. That sexy little spitfire has always caught my attention. If I don't stick around too long, Sebastian will never notice the way I look at her. But Alice Bennett has other plans. Her new restaurant would be a perfect feature on one of my network's shows. It's almost too easy to set up meetings with her. Invent excuses to need more information. To boss her around the way she seems to like. It's harmless, I tell myself. I'm moving to London in three weeks, I tell myself. I'm not going to upset Sebastian, I tell myself. Famous last words. I can't cross the line with her. We can't jeopardize the family relationships. But between stolen kisses and wicked-hot

nights, it's spinning out of our control. When the chance of a lifetime comes knocking at my door, it's time to decide what has more allure—my career, or a chance with her?

Your Christmas Love Jan 28 2022 This year, Christmas is just a reminder of the deadline looming ahead. Saving my legacy—the department store my parents build—is my top priority. At least until I find my branding manager singing and dancing while hanging twinkling lights in the meeting room. I can't get the sexy sway of her hips out of my mind...or her determination to make me smile. When I ask her to stay overtime, work isn't the only thing on my mind. Before long, I'm willing to do anything for one more kiss, one more night together. But with my future up in the air, can I promise Sienna anything more than an unforgettable Christmas season?

Your Forever Love Sep 23 2021 I know what people say about me. Eric Callahan, 'The Shark'. I own it. I'm a powerful man. My sharp business sense earned me that nickname. My façade is my armor. Underneath is where I keep the devotion I have for my daughter. Since her mother died, I've devoted my life to her. Expanding my business on the West Coast is one way to ensure I build the legacy she deserves. And that's all I plan to do for our three months in San Francisco. Until I meet Pippa Bennett. I swear, I didn't mean to start flirting with her. It was a complete accident. So was continuing. I can't resist the pull between us any more than I can change the tides in the Bay. We have the same sense of humor, we have chemistry for days, and she's as kind and sweet with my daughter as my family is. This is fast spiraling out of control. She's a divorcee, I'm a widower. Neither of us was prepared to take a chance on love again. Besides, we always had a time limit. But as it grows closer, I can't help but wonder—can I let her go, or could this one be forever?

One Beautiful Promise Apr 30 2022 It all began in Rome... I was supposed to show Cole the city, as a favor to a friend. I was aware of his reputation, a seductive charmer hellbent on bachelorhood, but I hadn't prepared for him to get past my defenses. Cole was nothing like the serious businessman I imagined. He was sinfully hot, funny and way too flirty for my broken heart. But, it was just

vacation after all. I thought I'd never see him again. Only I do. Cole calls me the very day I return to New York. My residency has been my sole focus for the past few years—my passion and my refuge. I've loved and lost and I don't know how to open up again. But Cole is melting my fears with every kiss and touch, willing to move mountains to make me happy and help me heal. And what scares me the most? I might just let him.

A wife who'd be as big of an achievement as the billions in his bank account. A cat lady who needs a date... Twenty-six-year-old bookstore clerk Emma Walsh has it on good authority that she's a cat lady. She doesn't necessarily agree with that assessment, but it's hard to argue with the facts. Raggedy clothes covered with cat hair? Check. Last professional haircut? Over a year ago. Oh, and three cats in a tiny Brooklyn studio? Yep, she's got those. And yes, fine, she hasn't had a date since... well, she can't recall. But that part is fixable. Isn't that what the dating sites are for? A case of mistaken identity... 2021 I can already see the headlines: "Alexander Westbrook Buries Sorrows In Charity Work." No thanks. I don't want to be another one of those Hollywood actors, all PR and no heart. For me, giving back is the best part of fame, and to use my trip to the group home to get good press would taint that. Besides, my sister's been bugging me nonstop to find something—or someone—to distract me from the failed engagement to my former co-star. Enter Summer Bennett, volunteer at St Anne's and certified believer in happy endings. Spending time with her out of the spotlight is a sweet relief from my typical tabloid-ready life back in Los Angeles. The idea of spending the next two weeks with her is too good to turn down. Her entire body responds to a simple smile from me, and mine is helpless to resist her either. I can't risk my career for a girl. My studio contract

doesn't allow it anyways. But I can't keep my hands to myself. Our secret kisses and whispered conversations have sparked a fire we're powerless to extinguish. How can I possibly turn our two weeks into something endless?

2022 I know what people think when they hear the name Sebastian Bennett.

Determined. Ruthless. Head of a business empire. From the outside, I look bulletproof. Behind closed doors, though, family always comes first. My parents. My eight—yes, eight—siblings. Every single one of them nagging at me to settle down and get married. I may be bulletproof, but I can't seem to deflect them. No matter how many times I patiently explain that I don't believe in love. I hadn't counted on Ava Lindt. Beautiful. Funny. Just as stubborn as I am. It's frankly infuriating. I only hired her as a consultant to make our next jewelry collection launch unforgettable. So why is it thoughts of her that I can't shake? Those curves, that smile... it's irresistible. And completely off-limits. She won't risk her job. I won't risk my heart. But one kiss, one touch at a time, our sizzling chemistry is turning into a deep connection. With her time at Bennett Enterprises drawing to a close, I'll have to decide what I was wrong about—her, or love.

especially not right in the middle of an interview for a job. It was a slip-or perhaps a gut reaction to his smoldering eyes and deep, sexy voice. To my total disbelief, they give me the assignment. My task is simple: advise Brayden and his band on how to communicate with their fans. Easy-peasy. Or so I thought...I can handle the job, but the sexy lead singer who's intent on getting under my skin might be too hot to resist. But our lives are too different. His life is under constant scrutiny. I thrive on freedom and spontaneity. I like exploring the streets of New York and meeting up with my siblings without needing security detail. But when we're together, all our differences fade, and I can't get enough of this man. And he won't quit until he makes me his.

From the New York Times bestselling author Sandi Lynn comes a brand new brothers series you'll want to devour! Sam I made a promise not to sleep with my new personal assistant. Too late. I'd already slept with her before I knew Grayson, my human resources director, hired her. Long story short. We first met at a café when she let me have the last apple turnover. Then I saw her again that same night at a bar. She was incredibly sexy, and she wanted me as much as I wanted her. We both agreed it was a one-time thing, and she left the following day. Imagine the shock on both our faces when she showed up for work on Monday. I wasn't a relationship type of guy and for good reasons. Julia Benton had

her own reasons why she wasn't looking to get involved with anyone. So, continuing our sexual relationship was a win-win for both of us. But the more time we spent together, feelings I'd never felt before started to emerge. Then things became complicated, and she quit to pursue her dreams. I knew how much it meant to her, and I didn't care. Now that I'd lost her, I wanted, no, I needed her back in my life, and I would do anything to make sure that happened. Julia He was the sexy and domineering man who wore an expensive suit. A man who cracked the hard shell I'd built around myself for the past four years. I wasn't looking for someone to save me, but Sam unintentionally did just that. Then I was given a chance to pursue my lifelong dream. He tried to stop it from happening by showing me exactly who he was. My only focus now was starting the business I'd always wanted and leave Sam behind in the trail of a disaster he created between us. The problem was: he truly was one of a kind, and I had to use every bit of strength I had to forget him. 18+

Surviving Raine Oct 13 2020
"There's a moment when it comes to amazing books... where you realize that the book you're reading completely and irrevocably owns you... [Surviving Raine] has that moment." - Ash the Book Snob
As the captain of a schooner catering to the elite on the Caribbean Seas, Sebastian Stark does his best to avoid any human encounters. Interacting with people isn't his thing, and he prefers the company of a bottle of vodka, a shot glass, and maybe a whore. There's no doubt he's hiding from a checkered past, but he does well keeping everything to himself... ..until the night his schooner capsizes, and he's stuck on a life raft with one of the passengers. Raine's young, she's cute, and Bastian would probably be into her if he wasn't suffering from alcohol withdrawal. As the days pass, DTs, starvation, and dehydration become the norm. Even the most closed person

starts to open up when he thinks he's going to die, but when she realizes their traumatic pasts are connected, it's no longer the elements that have Bastian concerned. He has no idea how he's going to Survive Raine. "Shay Savage's website almost cockily proclaims that she writes "Fiction with Teeth." HA! Nothing cocky about the truth, my friends. I guarantee, that is maybe the *only* accurate way to sum up the dark, unsettling, exciting, unapologetic, fascinating, shocking, frank, graphic, primal, crude, sexy, at times horrific, consistently compelling experience that is Surviving Raine!!" -Elizabeth (Sweptawaybyromance.com)
There are moments in Surviving Raine that will make you laugh, make you cry, and make your heart (and other parts) clench. This is one you will definitely want to put on your TBR list! -Kassie and Lauren (fics2flicks.com)
When You're Mine Feb 14 2021
Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am

when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?
