*Tempted (Mills & Boon Spice)* Dec 23 2021 I had everything a woman could want My husband, James. The house on the lake. Our perfect life. And then Alex came to visit. The first time I saw my husband's best friend, I didn't like him. Didn't like how his penetrating eyes followed me everywhere. Didn't like how James changed when he was around.

*Broken (Mills & Boon Spice)* Nov 29 2019 This month my name is Mary. My name is different every month—Brandy, Honey, Amy... sometimes Joe doesn't even bother to ask—but he never fails to arouse me with his body, his mouth, his touch, no matter what I'm called or where he picks me up.

**Naked** Aug 26 2019 No strings...no regrets...and no going back. I didn't think he wanted me. And I wasn't about to get involved with him, not after what I'd heard. Alex Kennedy was tall, dark and unbearably hot, but I've been burned before. Maybe it was stupid of me to offer, but he needed a place to crash and I needed to pay the rent. But now he's my tenant...with benefits. Now that we've crossed that line, I can't seem to find my way back. Except I can't give my heart to a man who's so...unconventional. His last relationship was with a married couple. It's enough that my ex-fiance preferred men -- I won't take that chance again no matter how much my body thrives on Alex's touch. I can't risk it, but I can't resist it, either. Alex can be very convincing when he wants something. And he wants me.

**Broken** Jul 30 2022 his month, my name is Mary. Every month, Joe tells me a different story, and every month, I listen. He doesn't know that I imagine myself the star of his every one-night stand, and how could I tell him? I'm a married woman, after all. All Joe and I will ever have is imagination. All we will ever be is fiction. I know this is wrong. I know I should stop before it goes too far. What I have learned from love is that you can't always fix what is broken, but sometimes, you can survive it. I'm just not sure I can possibly survive knowing Joe.

*Switch* Aug 19 2021 Don't think don't question just do. The anonymous note wasn't for me. Don't get me wrong, I'm not in the habit of reading other people's mail, but it was just a piece of paper with a few lines scrawled on it, clearly meant for the apartment upstairs. It looked so innocent, but decidedly—deliciously—it was not. Before replacing the note—and the ones that followed—in its rightful slot, I devoured its contents: suggestions, instructions, commands. Each was more daring, more intricate and more arousing than the last...and I followed them all to the letter. Before the notes, if a man had told me what to do, I'd have told him where to go. But submission is an art, and there's something oddly freeing about doing someone's bidding...especially when it feels so very, very good. But I find that the more I surrender, the more powerful I feel—so it's time to switch up roles. We play by my rules now. Originally published in 2009

Or is there something more. Something that could last. What is love, after all, unless it's bound by blood? Sanguine Faith by Brenda Murphy After a messy break-up

leaves Laurel homeless and unemployed, she accepts her great-uncle's offer of a townhouse and a job. Promises Made by Starlight by Fiona Zedde Abandoned by her wife years before and left devastated, Izzy has recently lost nearly everything else. *All the Things We Need* Oct 28 2019 New York Times bestselling author Megan Hart takes you on a journey with a woman who knows what she wants, and how to get it...originally published under the title *Vanilla*. After a past of giving her heart too freely and getting burned, Elise is done with intimacy. Now she craves control—and she takes it. There are only too many men willing to submit to her domination in the bedroom. And for a while, it's all she's needed to feel satisfied. Until she meets Niall. He is handsome, smart, successful and sweet—sweet as vanilla. When they meet, their romantic connection is electric, even though he's way on the opposite end of the kink spectrum. Despite how she fights it, Elise falls for him—but how can a relationship work when both lovers want to be on top?

**Dirty** Feb 22 2022 I met him at the candy store. He turned and smiled at me and I was surprised enough to smile back. This was not a children's candy store, mind you—this was the kind of place you went to buy expensive imported chocolate truffles for your boss's wife because you felt guilty for having sex with him when you were both at a conference in Milwaukee. Hypothetically speaking, of course. I've been hit on plenty of times, mostly by men with little finesse who thought what was between their legs made up for what they lacked between their ears. Sometimes I went home with them anyway, just because it felt good to want and be wanted, even if it was mostly fake. The problem with wanting is that it's like pouring water into a vase full of stones. It fills you up before you know it, leaving no room for anything else. I don't apologize for who I am or what I've done in—or out—of bed. I have my job, my house and my life, and for a long time I haven't wanted anything else. Until Dan. Until now.

**Stranger** Nov 02 2022 I pay strangers to sleep with me. I have my reasons...but they’re not the ones you’d expect. For starters, I’m a funeral director taking over my dad’s business. Not exactly the kind of person you’d expect to fork over cash for the intimacy and urgency only skin-to-skin contact can create. Looking at me, you wouldn’t have a clue I carry this little secret so close it creases up like the folds of a fan. Tight. Personal. Ready to unravel in the heat of the moment. Unsurprisingly, my line of work brings me face-to-face with loss. So I decided long ago that paying for sex would be one of the best (and most arousing) ways to save myself from the one thing that would eventually cut far too deep. But Sam was a mistake. Literally. I signed on to “pick up” a stranger at a bar, but took Sam home instead. And now that I’ve felt his heat, his sweat and everything else, can I really go back to impersonal? Let’s just hope he never finds out about my other life.... Originally published in 2009

All over the office As their appetites for one another increase to a breaking point, Bennett and Chloe must decide exactly what they’re willing to lose in order to win each other. And I don't know how to stop. Or even if I want to.
