**Sacred Path Cards** Mar 30 2022 This extraordinary tool for self-discovery draws on the strength and beauty of Native American spiritual tradition. Developed by Native American medicine teacher Jamie Sams, this unique system distills the essential wisdom of the sacred teachings of many tribal traditions and shows users the way to transform their lives. The 44 beautifully illustrated cards, each endowed with a particular meaning and message, may be drawn individually for a daily lesson or laid out in a series of spreads that open up different paths to inner knowledge. Used with the accompanying text, which explains the various forms and methods of interpretation and divination, the cards are a powerful tool for enhanced self-awareness and positive change.

**Shambhala Sep 04 2022** The classic guide to enlightened living that first presented the Buddhist path of the warrior to Western readers—with a new foreword and cover presentation. This timeless classic presents a vision of basic human wisdom that synchronizes the mind and body—what Chōgyen Trungpa called the sacred path of the warrior. This discipline embodies characteristics that many cultures, regions, and spiritual traditions throughout time have found valuable. The sacred warrior conquers the world not through violence or aggression but through gentleness, courage, and self-knowledge, discovering the basic goodness of human life and radiating that goodness out into the world for the peace and sanity of others. That's what the Shambhala teachings are all about, and this is the book that has been presenting them to a wide and appreciative audience for more than thirty years. This book is part of the Shambhala Pocket Library series. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life.

**Sacred Paths for Modern Men Oct 25 2021** Roar Rule Laugh Create Destroy Love ...And lay claim to your true masculine nature and spiritual heritage. According to Dagonet Dewr, a writer and activist in the men's pagan spirituality movement: "We have forgotten how to cry, to scream, to hunt, to love, to honor, to teach, to initiate." Hip, funny, and direct, this pagan belief guide explores twelve powerful male archetypes and their relevance for men today: Divine Child, Lover, Warrior, Trickster, Green Man, Guide, Craftsman, Magician, Destroyer, King, Healer, and Sacrificed One. Stories of characters from mythology, fantasy, and pop culture illustrate different expressions of masculine energy. With pagan rituals and magical workings, this pagan book offers a visceral, hands-on way to connect with archetypal energies and honor male rites of passage such as coming of age, seeking a partner in love, or becoming a father.

**The Sacred Path of the Soulmate Aug 30 2019** Romantic relationships can bring both great joy and deep anguish. At any moment, millions of men and women are seeking relationships, while millions more are ending them. Why are we so fervently drawn to romantic relationships if it's so hard to find lasting fulfillment in them? The answer, according to existentialist philosopher Gerald Sze, is that we misunderstand the spiritual purpose of True Romantic Love, and so we create far less satisfying experiences in our relationships than what's possible. As Sze explains in *The Sacred Path of the Soulmate: Embracing the Spiritual Purpose of True Romantic Love*, romantic relationships are our primary vehicle for spiritual growth. We should not think of a soulmate, Sze says, as someone with whom we are supposed to experience nonstop bliss, but as a beloved mate with whom we reconnect again and again over many lifetimes to learn, grow and evolve spiritually. Only by understanding the spiritual purpose of True Romantic Love can we follow the sacred path of the soulmate toward enlightenment. *The Sacred Path of the Soulmate* draws on Buddhist principles and Western philosophy, while also incorporating Sze's findings from more than a decade of interviews with ordinary women and men about their romantic relationships. Frank and often funny, the book uses well known scenes from popular Hollywood romance movies to illustrate its messages, bolstered by wide ranging philosophical inquiry. *The Sacred Path of the Soulmate* is not a how-to book, but a "why-to" book, inviting readers on a courageous journey of healing, growth and spiritual evolution through True Romantic Love. On this journey, readers will learn: The spiritual reason behind "love at first sight"; How True Romantic Love differs from "phantom romantic love"; Fresh insights that can transform the pain of heartbreak into humanistic growth and self-awareness; And how to transform limited, conditional relationships into True Romantic Love through humility, courage and compassion. *The Sacred Path of the Soulmate* will appeal to readers interested in the New Age and new thought movements, those who view spirituality beyond a religious framework, and those who wish to cultivate more meaning and opportunities for growth in their most intimate love relationships.

**One Soul, One Love, One Heart Mar 06 2020** How do we heal our difficult relationships and nurture our healthy ones? What is their significance in our spiritual life? In this deeply moving, groundbreaking book, John E. Welshons answers these questions and many more. He shows why the path to real and lasting happiness lies in recognizing that we are all One, and in living in that awareness. He shows us how to heal our most difficult relationships by transforming them into our greatest spiritual lessons and how to love, forgive, and care for our fellow human beings—even those we find most difficult to love and forgive. With compassion and wisdom, Welshons invites us into a revolutionary new understanding of ourselves, our spiritual life, our world, and all our relationships.

**The Sacred Path of Eco-Consciousness Nov 01 2019** Tantalized by how an experience in the Amazonian rainforest relieved and positively transformed years of struggle with anxiety and depression, Alice became interested in discovering what brought her such healing in the jungle. She embarked on a journey to Peru and Ecuador and discovered that in a world where material possessions and accomplishments are the prime expression of a person's identity and source of happiness, a growing emptiness is taking over the world. This void is driving us to consumption, addiction, stress, and disease. Take a journey from the Big Bang into the deep forests of the Peruvian Amazon, and ask yourself how we got here, where we are, and what's possible for our future. Embrace the ecological crisis that is unfolding, and commit to doing the inner work required to nourish our planet, and our souls. *The Sacred Path of Eco-consciousness* is a book that sews together the world's ancient wisdom traditions, to bring healing to our discontented modern culture. "Honorable Mention in the 2014 Green Book Festival." A nominee in the non-fiction (Green/Environment) category of the Global Ebook Awards.

**Freeing the Buddha Jun 23 2021** This book is not written to reinvent the wheel and offer up just another introduction to Buddhism. This has a fresh approach of Buddhism which does not stir up dust in areas that most people have not thought of. There are Buddhist teachers who would discuss things privately such as Buddhist views on UFOs, Adolf Hitler and the historical Jesus, but they would not give public talks or publish books on such controversial subjects. The author has the courage to do so as he boldly discusses such topics in this book.

**Sacred Path of Reiki Aug 23 2021** This unique guidebook combines traditional Reiki techniques with chakra healing, the magical arts, and the author's own spiritual and clairvoyant experience. Reiki Master Katalin Koda has studied Tibetan Buddhism, practiced Kundalini yoga, and researched ancient Vedic knowledge of the human energy field in India. The result is a powerful new way to practice Reiki, a holistic spiritual approach that Koda calls the Reiki Warrior path. The way of the warrior has long been used by indigenous cultures to cultivate discipline and responsibility. By fusing this age-old tradition with a modern healing art and the story of her own journey, Koda offers a powerful, one-of-a-kind approach to help Reiki practitioners come into their own as skilled, compassionate, and well-balanced healers. *Sacred Path of Reiki* presents sound theories and original practices that demonstrate how to develop Reiki into an integrated healing system and transcendent spiritual path. It will appeal to both Reiki students and teachers.

**Walking the Sacred Path Apr 30 2022** Those familiar with the music of Dan Schutte are in for a great treat here. As in his music, he deals with themes of longing and desire for God, the hungers of the human heart, unfulfilled human hopes and dreams, and the profound happiness of finding ones home in God. The exercises here are loosely based on the Spiritual Exercises of St. Ignatius of Loyola, and the goal is the same for both: to draw readers into a personal, living, growing relationship with Jesus Christ.

**The Sacred Path to Islam: A Guide to Seeking Allah (God) & Building a Relationship Mar 18 2021** Do you yearn to build a closer and more meaningful relationship with your Creator? Do you seek to know the true Message and Wisdom of Islam? The work I present here for your consumption is more than a book; a collection of words meant to deliver glad tidings, to educate, and to perhaps warn. It is a work driven by what I intend to be a sound and powerful Message. This message invites readers to think freely and broaden their minds; to contemplate and seek their own truth. This passage advises people, never to blindly follow any religion without first reflecting upon the faith in question and reasoning its true meaning. Beyond all manner of faith and feeling, one must use their intellect to discover the truth behind all faiths. This passage is intended to draw and empower the sincere seeker of truth; the one that questions, reflects and ponders his or her life's purpose and questions his/her future and direction. Islam, for example, is one faith that is misunderstood and misrepresented by many. Before one forms an opinion of Islam, one should question the thoroughness and truthfulness of his or her existing knowledge of this controversial religion. The ultimate purpose of this message is to facilitate a fresh new dimension of thinking that will enable one to realize the ultimate importance of his or her existence in this universe; to help one understand his/her divine relationship with his/her creator. The faith of Islam is beneficial only to people that are sincere in seeking guidance, misguiding those who are not sincere and honest in their spiritual quests; who reject divine guidance and spiritual truth.

**Walking a Sacred Path Dec 27 2021** Lauren Artress reintroduces the ancient labyrinth, a walking meditation that transcends the limits of still meditation, and shows us the possibilities it brings for renewal and change. *Walking the Labyrinth* has reemerged today as a metaphor for the spiritual journey and a powerful tool for transformation. This walking meditation is an archetype, a mystical ritual found in all religious traditions. It quiets the mind and opens the soul. *Walking a Sacred Path* explores the historical origins of this divine imprint and shares the discoveries of modern day seekers. It shows us the potential of the Labyrinth to inspire change and renewal, and serves as a guide to help us develop the higher level of human awareness we need to survive in the twenty-first century.

**The Sacred Path Beyond Trauma May 08 2020** One of Graham Greene's characters famously said, "I suffer, therefore I am," suggesting that pain is an inescapable, and perhaps incurable, part of the human condition. But must this be so? Ellen Macfarland argues otherwise in *The Sacred Beyond Trauma*. Through the use of mythology, stories from film and fiction, real-life examples, and her personal history,

Macfarland shows that healing trauma is indeed possible, using rich resources near at hand, in nature. The book explores major symbols of healing nature that can provide an impetus for personal transformation. One of the case studies profiles Monty Roberts, a well-known horse trainer who overcame significant childhood abuse by working with horses and eventually fostering some forty children alongside his own biological family. The key, says Macfarland, is using these and other natural symbols such as yin yang to balance the tension between trauma and numinosity (sacredness, transcendence), resulting in the creation of a new way of being in the world. Understanding this and the book's other nature-based symbols can turn the distressed mind into a fertile field of spiritual awareness, empowerment, and lifelong growth.

**The Sacred Path of the Therapist** Feb 26 2022 Integrating Western psychological understanding with ancient Eastern and wisdom traditions, Siegel addresses how spiritual resonance is achieved within the psychotherapeutic process in *The Sacred Path of the Therapist*. Readers will learn how mindfulness practices and attunement can help them move clients toward recovery and beyond, allowing full potential to emerge within a shared coherent field of awakening consciousness. Topics include translating transpersonal theory into practice, understanding the human energy field, and the integration of psychotherapy and spiritual initiation. Drawing from her unique experiences working with master shamans as well as practicing as a psychotherapist, Irene Siegel discusses the evolving role of the therapist as both therapist and healer. Shamans are ancestral teachers, guides to nonordinary realms of consciousness and a divine cosmic whole within silent sacred spaces. Using lessons from native shamanic tradition and the evolving field of transpersonal psychology, both healer and client will learn to access the innate inner wisdom and healing potential within themselves through guided meditation exercises within moment-by-moment sacred space. The expanding content and context of therapy blends the two worlds: the clinical world and the world of the shaman.

**The Sacred Journey** Jun 08 2020 "When Yahweh became a man, he was a homeless vagrant. He walked through Palestine proclaiming that a mysterious kingdom had arrived...He called people to follow him, and that meant walking." — Charles Foster Humans are built to wander. History is crisscrossed by their tracks. Sometimes there are obvious reasons for it: to get better food for themselves or their animals; to escape weather, wars, or plague. But sometimes they go—at great expense and risk—in the name of God, seeking a place that feels sacred, that speaks to the heart. God himself seems to have a bias toward the nomad. The road is a favored place—a place of epiphany. That's all very well if you are fit and free. But what if you are paralyzed by responsibility or disease? What if the only journey you can make is to the office, the school, or the bathroom? Best-selling English author and adventurer Charles Foster has wandered quite a bit, and he knows what can be found (and lost) on a sacred journey. He knows that pilgrimage involves doing something with whatever faith you have. And faith, like muscle, likes being worked. Exploring the history of pilgrimage across cultures and religions, Foster uses tales of his own travels to examine the idea of approaching each day as a pilgrimage, and he offers encouragement to anyone who wants to experience a sacred journey. The result is an intoxicating, highly readable blend of robust theology and lyrical anecdote—an essential guidebook for every traveler in search of the truth about God, himself, and the world. When Jesus said "Follow me," he meant us to hit the road with him. *The Sacred Journey* will show you how. *The Ancient Practices* There is a hunger in every human heart for connection, primitive and raw, to God. To satisfy it, many are beginning to explore traditional spiritual disciplines used for centuries . . . everything from fixed-hour prayer to fasting to sincere observance of the Sabbath. Compelling and readable, the *Ancient Practices* series is for every spiritual sojourner, for every Christian seeker who wants more.
